## What's New:

- **When in doubt, fill it out:** New Incident Feedback Forms are now in the bottom drawer of the file cabinet in the Clubhouse. Please feel free to use these in the event that we have an incident that warrants documentation. This could be anything from a conflict between visitors, to an injury involving a child. Just answer the questions and staple to the registration of the children affected in the event. We'll make sure it gets recorded. When in doubt, fill it out.
- **Just keep Cleaning:** It's about time for a pop cleaning inspection. Please make sure you are cleaning surfaces at the end of your shift as well as doing a little sanitizing of the activities. It takes a village my friends!
- **Key to it:** Recently we got a new key to one of the locked cupboards in the kitchen. Because it is locked, it is ideal to store things like dish soap, bleach, tubs and clothes for the deep cleaning we sometimes need to do. This key will now be on the same ring as the closet key.
- **Donations Anyone?** If you should get a request to donate specifically to the Clubhouse please direct them to the Family Support Services Office which can be reached at : (509) 474-2103 Or direct them to "Providence Sacred Heart Children's Hospital", and click on the "donations and volunteering" link. It will bring you to a page where you may download the newest "Wish list". The Wish List gives an overall idea of the needs of the Children's Hospital and if they wish to donate specifically, just make sure they specify "For the Clubhouse".
- **Gratitude does not begin** to describe how we feel about our volunteers! Because of you, over 170 kids had a place to go in July. You have earned your wings!
