

GET SERIOUS. GET TRAINED ON THE FINDSM APPLICATION.

You can use the power of the FINDSM Application to make research more efficient – saving you time so that you can focus on making money.

The FindSM Application is a serious data tool allowing MLS Members access to valuable realtor.com® data via an intuitive search engine and a property-centric national database.

Our **FREE training** comprehensively covers the features and best practices of the FindSM application including how to:

- ✓ **Access** information on over 100 Million properties from a national database right from your MLS
- ✓ **Research** detailed school and community information nationwide
- ✓ **Analyze** multiple levels of owner & property information available from any MLS in the country
