## **What's New:**

- **ITS BEEN BUSY** here in the Clubhouse. This March, we served over one hundred sixty children. That's around seventy above our monthly average of ninety children. Word is spreading of our wonderful space of care and our average monthly census is showing the difference. We can't say it enough, thank you for giving of your time and just being here. **YOU MAKE A DIFFERENCE!**
- **A FEW CHANGES** have been made to the furnishings to help keep clean and make the Clubhouse more inviting. Let us know what you think.
- **BIG THANKS** to Aileen Lane for getting us in touch with her friend Holly Christensen and her volunteer mission, "The Magic Yarn Project". Thanks to Holly and her volunteers, we now have a big box of cozy yarn beanies adorned with princess and pirate "hair" for our little oncology warriors. All these wonderful hats are 100% volunteer made and funded. If you would like to learn more about The Magic Yarn Project you can find it at: [www.TheMagicYarnProject.com](http://www.TheMagicYarnProject.com)
- **VACATION TIME?** Believe it or not, it's just around the corner. If you are planning a trip in your future, let us know as soon as you can so we can make adjustments and get your shift covered.
- **KEEP IT UP!** Special thanks to all of you keeping our Clubhouse clean! It literally takes a village to keep up with all the cleaning needed to pass the Health Departments standards. Please continue to take a moment each shift to clean and organize a bin and wipe things down. We appreciate your diligence.
- **IF YOU ARE STILL LOOKING** for a way to serve above and beyond, our Arts in Healing program is always looking for volunteers to do art with our patients in the Oncology Outpatient Clinic in addition to the Clubhouse. If you or someone you know would be interested in serving in this capacity, let us know.
- **WE LOVE HEARING FROM YOU!** Please feel free to give us feedback on your experience with us.
