

IDENTIFY INCOME PROPERTIES LIKE A PRO

Buying and Selling Income Properties

Investing in real estate can be extremely profitable and can add a new revenue stream to your business. In this RRC Two Day Course, Buying and Selling Income Properties, learn the secrets to smart real estate investing and start identifying lucrative opportunities for yourself and your clients.

You will learn how to identify the right opportunities in a down or an up market and compare real estate with other investments. This class is a must for any real estate professional looking to create wealth through residential real estate investment.

Upon the successful completion of this course, you will be able to:

- Identify and create strategies for building wealth for the investor through real estate investments
- Determine the factors and use the tools to measure the performance of real estate investments
- Satisfy your client's needs through new sources for sales and listings
- Find and select successful real estate investments
