Members Medicare Exchange

*A private Medicare insurance options platform
and resource center*

NEW! NAR's Strategic Alliances Team is pleased to announce a new offering under the Association's REALTOR Benefits® Program, which expands the REALTORS® Insurance Marketplace platform: After obtaining Original Medicare through the federal government, NAR members aged 65 and older who wish to explore and enhance their coverage options may access the new *Members Medicare Exchange* to quote, shop, and enroll in a variety of Medicare insurance options.

Additionally, members will find a resource center within the exchange that contains a variety of educational tools to assist NAR members in understanding Medicare overall, cost saving strategies, and available options.

Please share the attached fact sheet with your members. It is estimated that nearly 100 of our members turn 65 every day, and the Association is now pleased to be able to provide a trusted resource to assist them as they make decisions about their overall Medicare coverage.

Due to the age-specific scope of this offering, the majority of communications regarding the exchange will be targeted to individual members as they approach the age of Medicare eligibility. In the future there will also be promotional endeavors around the timeframe for Medicare Open Enrollment, which runs annually from October 15 through December 7, so that members currently enrolled in Medicare can take advantage of the exchange should they wish to make changes to their coverage.

For questions about the Members Medicare Exchange, REALTORS® Insurance Marketplace, or the REALTOR Benefits® Program, please call me at 312-329-8269 or contact a member of the REALTOR Benefits® Program team listed in the "NAR Contact Information" section of the fact sheet.
