Tom Hormel

2021 Washington REALTORS® President

My vision for 2021 is that we raise the bar for ourselves. After a year where we seemed to be so divided, partisan and separated, I hope to see us come together like never before because in the end...truly, "We 'R' in This Together". I look forward to this year and challenging ourselves and our profession to grow and improve, as expressed in my favorite quote.

"Be the change that you wish to see in the world." • Mahatma Gandhi
