Your Spokane Association of REALTORS® (SAR) is trying to learn more about how we can best serve our members. One of the ways we are doing that is by reaching out to the membership with monthly questions to get input from our membership. This month's question is:

Of these three things, what is the most important to you?

- Technology
- Legal, Governmental / Public Policy, Regulatory Issues affecting REALTORS®
- Effective Communication between the SAR and membership

If you have any further thoughts, questions or ideas for your SAR, please let us know what they are so we can get back with you. You may use the front and/or back of this questionnaire.
