

# Leadership Opportunities 2023

*"Have you ever wished something was different...  
join a committee and be part of the change!"*

## \* Required

### **Riding with the Brand**

*In the Old West, when a cowboy rode for the brand, it meant they had signed on to the mission and goals of the ranch owner.*

*It meant they were committed and were a dedicated team player.*

*It meant that they promised to protect the brand as though it was their own.*

*The theme for 2023 is NOT riding for the brand but rather Riding WITH the Brand. Because you, the members of the National Association of REALTORS®, are the brand!*

*The brand is you, and the brand is us.*

*We are the brand; it's who we are.*

*It's bigger than any one person, and for years, great leaders like you, have protected and safeguarded the brand.*

*Thank you for Riding with the Brand and giving your very best!*

*Our brand represents the best of people who truly love our community and the people who live in it!*

*Buckle up, we're Riding with the Brand in 2023!*

Volunteer  
Testimonial:  
What I get  
out of  
serving my  
Association

*"As a REALTOR® for nearly 9 years, I found the moment I started getting involved with my local Association the more I understood how our business operated in this area. It was apparent we have an amazing staff at the Spokane Association of REALTORS®, and being an active part of the association has allowed me to get to know many of the staff on both a professional and personal level. I find that anytime I have questions I always have someone I can ask. Participating on a SAR Committee has truly been a rewarding and valuable piece of my business. Not only has it allowed me the opportunity to meet so many of our amazing affiliates, but I am better able to know what these affiliates have to offer so I can better refer them to clients. Most effective for me is meeting and networking with other REALTORS® in other companies. I have found mentorship, partnerships, friendships and more. It is a fabulous resource for all and if you are not taking advantage of it, you are truly missing out!"*

*—Kristy Hamby, Windermere Airway Heights*
