## Greetings,

Itema is pleased to invite you to our Open House in Spartanburg, SC on April 19, 2023. The event focus is on technical textiles, providing Itema the opportunity to showcase its competence and technological solutions to support customers weaving technical applications.

Don't miss this opportunity to discover cutting-edge developments in sustainable weaving with live machine demonstrations running exclusive technical fabrics tailored for US market needs.

Additionally, on display for the first time in the US, the Unirap, the mono-rapier weaving machine, capable of weaving a wide range of carbon fiber and tape fabrics.

We look forward to your participation in this special event.

**Scott. A. Malcolm**  
President Itema America Inc.

**U. Ghilardi**  
CEO Itema Group
