SERMONS / WORSHIP SERVICES ONLINE

As we begin to worship together in person, we recognize that not everyone will feel comfortable joining us right away. Our worship services will continue to be recorded and available online at www.peacenaples.org. Click on "Pastor's Message" at the top of the home page and then click on the ▶ in the middle of the video. Be sure to invite your friends, shut-ins, etc. to join us online for worship!

STEWARSHIP CORNER

Undoubtedly, there are all sorts of languages in the world, yet none of them without meaning. If then I do not grasp the meaning of what someone is saying, I am a foreigner to the speaker, and the speaker is a foreigner to me. So it is with you. Since you are eager for gifts of the Spirit, try to excel in those that build up the church. For this reason the one who speaks in a tongue should pray that they may interpret what they say. For if I pray in a tongue, my spirit prays but my mind is unfruitful. So what shall I do? I will pray with my spirit, but I will also pray with my understanding..... Otherwise, when you are praising God in the Spirit, how can someone elsesay, "Amen" to your thanksgiving, since they do not know what you are saying? But in the church I would rather speak five intelligible words to instruct others than ten thousand words in a tongue.
