

The Washington Historical Society  
announces that it will be accepting nominations for the

## 2020 Roots Award

until August 1, 2020

## **General Information and Rules:**

1. Eligibility: Nominees must have spent a portion of their childhood in Washington and have made significant contributions in one of the following areas: science, government, arts, sports, business, science, or charitable work.
2. In the past, recipients were honored during the high school homecoming festivities weekend.

**Considerations on the part of the recipient.** Due to the pandemic, and not knowing the future of events, we will not ask the recipient to be present to receive the award. However, we do ask that the recipient present a recorded (30-45 minutes in length) program telling

1. How did life in Washington contribute to your success?
2. Details as to what accomplishments you have achieved.
3. What advice do you have for Washington students?

This video will be shown to the Washington Historical Society either in person or online.

Please complete and return this form with any attachments and additional papers to Washington Historical Society, P.O. Box 54, Washington, IL 61571
