## CLUBHOUSE CORNER

### Thank You

The Members and staff would like to thank everyone for the quick thinking and action taken during the covid19 scare we had in August. Quick attention allowed for identification and testing for everyone. All members and staff tested negative.

### Good Deeds

After lunch a house fire was noticed by Sue, Scott and Pat. They drove to the fire and Sue and Scott knocked on the doors of surrounding homes and successfully got people out safely. This all happened before fire and police arrived.

Great work guys, Well done!!!!

### Club Interactions

#### MISSION

#### STATEMENT

To create a supportive environment where members can be

involved in meaningful work, build healthy relationships, and develop skills to live a more independent and successful life.

Thanks from all members

### Member Services

Member services is rocking!!!!

We are increasing membership slowly.

If you have a new address or phone number please contact Monique

@ 231-724-3335

### Snack Shack

Our Snack Shack has made a few necessary changes to keep everyone safe during the pandemic; including social distancing and limiting the number of customers.

Even though only one customer is allowed in the Snack Shack at a time, our workers are doing a great job keeping that line moving fast.

### Food Service Unit

Just a remind that the menu committee takes place the first Friday of every month. If you have a lunch idea or recipe you want to try, please make sure you attend this meeting or see Marian beforehand.

### Employment Services

Brandon is Currently working at Goodwill and doing well.

**Congratulations to Angela C. Goodwill liked her work that they hired her.**

Nicole (IPS Worker) has completed her 1 week Transitional Employment International training and is eager to implement new ideas she has learned and get members more involved!

# Standards

## Standard #7

The Clubhouse provides an effective outreach system to members who are not attending, becoming isolated in the community or hospitalized.

## Standard #8

All Clubhouse meetings are open to both members and staff. There are no formal member only meetings or staff only meetings where program decisions and member issues are discussed.

## Standard #9

Clubhouse staff are sufficient to engage the membership, yet few enough to make carrying out their responsibilities impossible without member involvement

## Member Outing Report

One of our activities was Wii Bowling and it was a lot of fun. It was nice because I (Nancy) won a lot of the games. I (Clara) enjoyed spending time with everyone and dinner was good also.

Our other activity was movie and dinner, we watched Madea Witness Protection. It was a really funny movie. We had popcorn and snacks. It was nice to sit with staff and laugh and have a great time.

Thank you to everyone that participated.

From: Nancy & Clara
