

Pathways to Recovery Program

A New Start. A Clear Path. A Brighter Future.

Are you or someone you care about ready to take the first step toward a brighter future?

The Pathways to Recovery program is designed to support individuals whose lives have been impacted by the opioid epidemic—whether through personal experience or that of a loved one. This comprehensive, no-cost program offers:

- **Access to Career Training Programs** in high-demand fields (healthcare, construction, manufacturing & more)
- **Job Placement Assistance** to help you land a meaningful, sustainable career
- **Case Management & Supportive Services** to help guide you throughout the process
- **Transportation and Childcare Assistance** (if eligible)
- **Mental Health & Recovery-Friendly Resources** to build support, foster connection, and promote healing from opioid addiction
- **Resume Building & Interview Coaching** including guidance on résumé building, interview preparation, workplace skills, and career advancement strategies

Whether you're starting over, re-entering the workforce, or seeking a fresh direction, Pathways to Recovery is here to walk with you every step of the way. Our goal is not just to help you find a job, but to support you in building a stable, fulfilling future.
