A time to recognize the experiences of individuals who are blind or visually impaired and highlight the importance of accessible environments.

For many, navigating home spaces without sight can be challenging, but HMLP is here to help make homes safer and more accessible. From enhanced lighting to adaptive bathrooms, our program supports home modifications that improve independence and comfort.

## WHAT CAN BE FUNDED WITH THE HMLP?

Here are just a few examples:

- ✓ Wheelchair ramps
- ✓ Stairlifts
- ✓ Roll-in showers
- ✓ Widened doorways
- ✓ Accessible kitchens

And more, each project is tailored to your needs.

## VIDEO TESTIMONIAL

"Nobody is coming to us asking us to build a mansion... they're just doing it to accommodate a family member with a physical need. And it is so rewarding." – Pat Lynch, *NeighborWorks Housing Solutions*

HMLP is here for exactly that, to help families continue living in their homes with dignity and independence. From small updates to major modifications, the impact is real and life-changing.
