# FEBRUARY UPDATES

## FEBRUARY IS NATIONAL SENIOR INDEPENDENCE MONTH & NORTH AMERICAN INCLUSION MONTH!

At the HMLP, we believe that independence and inclusion start at home.

HMLP helps older adults maintain their independence by funding essential home modifications like ramps, stairlifts, and accessible bathrooms. At the same time, we support inclusive communities by providing financial assistance for accessibility improvements that allow individuals with disabilities to fully participate in daily life.

A safer, more accessible home means a more independent and inclusive future. Learn how HMLP can help you or your loved ones today

## DID YOU KNOW THAT WE ARE PROUD PARTNERS OF THE HOME MODIFICATION LOAN PROGRAM?

The HMLP has helped over 3,000 households make their homes safer and more accessible across Massachusetts. If you need assistance with home modifications, connect with us today!
