

HI! I'M ARLINE

CFCE PLAYGROUP EDUCATOR
(SHE/HER)

ABOUT ME :

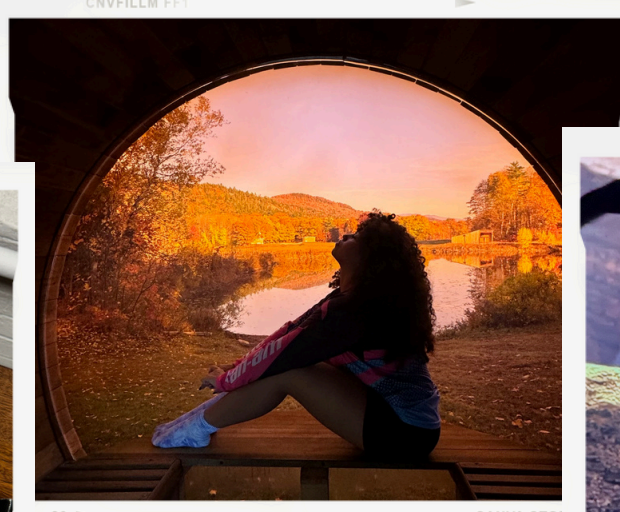

Hello, hi!! My name is Arline, and I am a Playgroup Educator here at Community Teamwork's CFCE program. I'm someone who finds joy in nature, fashion, thrifting, and exploring new places. I'm deeply connected to my family and friends, and being an auntie is one of my favorite roles. I also love capturing everyday moments on film just for fun—it's one of my favorite creative outlets.

WHAT IS CFCE?

CFCE Stands for Coordinated Family and Community Engagement, it is a grant program that is run by the Massachusetts Department of Early Education and Care. All over Massachusetts this program runs Playgroups, Parent Workshops, and connects local resource organizations for Families of all kinds. Everyone's welcome to join in!
