

Financial Education Center Secure Jobs Program

Financial Incentives:

Participants in the program receive financial incentives for remaining employed for 3 months, 6 months, 12 months, and 24 months.

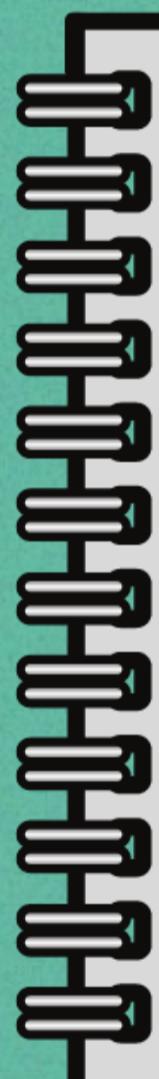

Need Training?

The Secure Jobs Program not only helps you find the right training program for your needs, but also assists in funding some of the costs associated with the training.

Other Supports

By providing flexible funding, we are able to help address barriers to employment. Some examples include car repair, transportation fees, and work clothing.

The Secure Jobs program provides employment services and case management to individuals living in DHCD funded shelters or who receive HomeBase or RAFT Assistance.

Here is how we help:

- Professional Resume/Cover Letters
- Job Search
- Employment Clothing
- Job Training
- Career Advancement
- Financial Support
- Personal Finance Management
- Employment Incentives
- Peer Support
- Education Assistance
