# FEBRUARY UPDATES

## WINTER SAFETY = ACCESSIBLE LIVING

Snow and ice shouldn't be a barrier to your independence. ❄️

If you or a loved one uses a mobility aid, winter weather can make getting in and out of your home difficult, or even dangerous. That's where HMLP comes in.

We offer 0% interest home modification loans that can help with:

- ✓ Permanent ramps
- ✓ Safer entryways
- ✓ Improved lighting and handrails

Let's make winter safer and more accessible for everyone.

## LOOKING TO MAKE YOUR HOME MORE ACCESSIBLE FOR A LOVED ONE WITH A DISABILITY?

As a local provider, we can guide you through the process, from application to construction. Would you like to learn more about how the program works?

We have a step by step video:

## THIS VALENTINE'S DAY, SHOW YOUR LOVE THROUGH ACCESSIBILITY. ❤️

Whether it's adding a grab bar, widening a doorway, or installing a stairlift, home modifications help loved ones live safely and independently.

At HMLP, we believe care looks like inclusion. Let us help you make your home a place where everyone feels welcome.
