

Honor a Mom This May Make a Gift in Honor of a Mom You Know

**ZONTA
FOUNDATION
FOR WOMEN**

A gift to the Zonta Foundation for Women is a perfect way to honor a mom you know. For the price of a card and a bouquet of flowers, you can make a donation that won't fade, wilt or ultimately end up in the trash! Your gift to the Foundation will no doubt touch the heart of the woman it honors, but its impact will be lifelong to the beneficiary of a Zonta international service project or education program. Mother's Day is Sunday, May 9. Make your gift now: <https://bit.ly/32fCLsr>

Thank you District 9 for your generosity this biennium. In spite of a difficult pandemic year, Foundation fundraising is slightly ahead of where we were at this point in the last biennium (as of March 2021). Having said that, we are far short of our biennial goal having raised just one third of the \$4.8 million we need. Thank you to everyone who generously donated to our 2020 campaigns. We hope you and all of our D9 members and clubs will continue to give in 2021. Mother's Day is the perfect time.

Attention new members! If you joined Zonta recently and find yourself a bit confused about the Zonta International Foundation for Women, what it does and where your donation might be going, learn more here: <https://bit.ly/3mXhywP>

Thank you all for continuing to support the Foundation!

Nickie Bonner, Karen Foissotte, Barbara White, District Foundation Ambassadors
