

Where to find each service:

Go to abqlibrary.org and hover over the Downloads tab to view all our digital media providers.

You can also click on the About & Help page to immediately view online support guides and walkthrough videos.

What you need to get started:

- Your valid library card number and PIN
- A valid email address
- An internet connection
- The device on which you wish to access materials (phone, tablet, laptop, desktop)

Search the Catalog

In our classic catalog (abqlibrary.org) you can search for titles to see every version of an item we own, including eBooks. Some titles are provided through multiple services, which can be helpful in getting you what you're looking for faster.

Need more help?

Visit abqlibrary.org/digitalmedia for more assistance, troubleshooting guides, and walkthrough videos.

Want in person assistance?

Visit abqlibrary.org/adultlearning/classes to see the listing for our computer classes, or call your local branch. For more information on what devices will be there and what you should bring, contact the library branch hosting the class.
