

KEY MEASURES FOR SPRING BREAK 2026

March is a high-impact period with additional rules and regulations in effect. Please stay informed and plan accordingly. The city is here to help your business and staff with free shuttles from three garages to mitigate the parking measures in effect.

PARKING & TOWING

Every Thursday – Sunday in March

In the Art Deco District (between 5 & 16 Sts. on Washington Ave. to Ocean Drive)

- The four garages in the Art Deco District will have flat parking rates ranging between \$40-\$100. A \$40 rate will be in effect on March 5–8; subsequent weekends are subject to change. Resident rates **DO NOT** apply for these four garages.
- Street parking and surface lots will be \$20/hour (\$100 daily max). The registered resident rate of \$1/hour still applies.
- The non-resident towing rate will be \$548 (double the regular rate) plus administrative fees.

PUBLIC SAFETY & TRAFFIC

- License Plate Readers (LPRs) will be in effect on the eastbound 5 St. corridor March 6–8 with setup starting at 9PM and implementation at 10PM.
- LPRs will be in effect on the eastbound MacArthur and Julia Tuttle causeways March 12–15 & March 19–22 with setup starting at 9PM and implementation at 10PM.
- DUI enforcement will be in effect March 13–14 & March 20–21.
- Vehicles will only be able to access Ocean Drive from 15 St. with a single exit at 5 St.
- Motorized rentals of slingshots, low-speed vehicles, mopeds, scooters, etc. will be suspended March 12–15 & March 19–22.
- Police will implement a traffic plan beginning at 6PM each Thursday – Sunday in March to reduce impacts in the South of Fifth and Flamingo Park neighborhoods.

BEACH RULES

- Every Thursday – Sunday in March, Ocean Drive beach entrances will be limited to 5, 7, 8, 10, 12 & 14 streets with security checkpoints.
- Alcohol, smoking, coolers, glass, tents/tables, inflatables & amplified music will be prohibited.
