Miami Beach Promenade

Virtual Community Meeting

The City of Miami Beach will host a virtual community meeting to present the 50% Master Plan documents for the Miami Beach Promenade, located behind the oceanfront properties on Collins Avenue from 24 to 29 Streets. This phase of the master plan outlines existing conditions and preliminary design concepts based on community feedback regarding aesthetics and functionality. The meeting will provide an opportunity for residents to review the two final concepts to date and offer input that will help shape the final master plan.
