

April 16, 2020

To the UMB Community:

The University of Maryland, Baltimore (UMB) is conducting a survey to learn how our students, faculty, and staff are receiving information during this extended period of virtual learning and telework, as well as what the University can do to improve our communications efforts.

Please take a moment to complete [the short survey](#) so that UMB's communications team can assess its methods of delivering important information or guidance related to the COVID-19 pandemic or other Universitywide issues.

We look forward to your input. Thank you for your participation in this survey and for your continued commitment to UMB's success during this difficult time.

Sincerely,

Laura Kozak, MA

Associate Vice President

Communications and Public Affairs
