We are a two-way exchange program that gives students the opportunity to immerse themselves in a new language and new culture AND to host a carefully matched exchange partner in turn.

Adolesco Youth Exchange matches students with a student about their same age in France, Germany, Italy, or Spain. Families will decide exactly WHEN (whatever's best for their schedule), and for HOW LONG (anywhere up to 12 weeks) they want their student to go on an exchange and host a student as part of our flexible and affordable non-profit language immersion and cultural exchange program for qualifying students between the ages of 9 and 18.

Adolesco is a 501(c)(3) non-profit
