SERVING IN MEXICO

The Fruit That Accumulates To Your Account

There is so much to be thankful for as we approach the Thanksgiving holiday. This season we are especially giving thanks for each of our monthly financial partners. Every church, individual and family who are generously giving toward the work God has called us to do in Mexico are also beneficiaries in the fruit of the ministry.

We don't understand how God's economy works, but the Apostle Paul seems to suggest in Philippians 4:16-17 that God is keeping track: *"Even in Thessalonica, you sent aid once and again for my necessity, not because I desired a gift, but I desire fruit that accumulates to your account."*

In addition to meeting our monthly budget to live and work in Mexico, you are directly participating with us in reaching people for Christ, and the fruit of the ministry is being accumulated to your spiritual account. Let that be your motivation for giving. **There's an eternal spiritual reward directly related to your generosity.** We sincerely thank you.

Our Newest Arrival

We would like to introduce you to the newest addition to our family. Daniel Steven was born Tuesday, November 12th. Keily and Noah have been excited for this day to arrive. Keily, who is now 7 years-old, has been a great help, and Noah, 4-years-old, is taking his big brother responsibilities seriously.

HAPPY.
Thanksgiving

Sincerely,
The Sislo Family
