

## **Nathan and Trissa Reschke**

We are former WNMD children's pastors that God has called to Africa as missionaries to children. As Matthew 19:14 says, children are a part of God's Kingdom. Jesus wants all children to come to Him and have a saving relationship with Him. Our vision is that African children's ministry leaders are trained and equipped to minister to African children effectively. We also do Gospel presentations to African children directly.
