

Hi Gayland,

Thanks for checking in on us. We hope you and Linda are healthy!

We're a little stressed being cooped up and it is hard to be cut off from some of our normal ministry. We have boxes of food for the Roma community but can't deliver them because there are police check points and we don't have the papers to leave the city to go to the village, so we are trying to see how we can get them the food.

Our support took a pretty big hit this past month. We had about \$1,000 less come in than normal. But thankfully, this past Jan someone had sent in extra, so it worked out but if this trend continues, it could be a problem. Yet we know that God is who provides and is not surprised by anything. Stay safe out there!
