

## Rebekah Reed

Rebekah was called to missions from the age of six years old and is excited to be stepping into that calling as a missionary associate serving with Matt and Stacey Leighty in Stuttgart, Germany. She will be assisting the Stuttgart Missional Community Church as their Children's Ministries Director and Administrative Assistant. SMCC was planted eight years ago to reach the U.S. military community in Stuttgart of more than 25,000 Americans. This unique harvest field presents the opportunity of evangelizing and discipling families in the Gospel and the Word of God so that they are empowered to lead and disciple others when they move on to a new assignment.
