The Ventura County Office of Education will be hosting the 2nd Annual Equity Conference on March 22, 2022.

We would like to kick off our conference by showcasing student artwork! Students are invited to create a piece of art illustrating what diversity, equity, and inclusion means to them.

Please submit two entries (one entry representing the elementary grade span and one entry representing the secondary grade span) at: www.vcoe.org/art, no later than January 30, 2022.

Questions: Please contact Michele Ortiguerra at mortiguerra@vcoe.org.

WE LOOK FORWARD TO HIGHLIGHTING THE TALENT OF YOUR STUDENTS!
