

CYM Parent Board

The CYM Parent Board and the Sunday School teachers met for the first time on Sunday June 4, 2017.

We had three areas for discussion:

- To build community among the children, youth and families
- To enhance communication between teachers and families
- To prepare a strong partnership for your new Rector

The Board set three priorities for the coming year:

- To organize some events to take place away from church so that children and families can get to know each other better.
- To initiate new apps and more Facebook postings
- To increase participation in community outreach programs

To these ends, the Board formed four sub-committees:

- Electronic Communication: Sarah English, Christine and Brian Donaghy, Laura Lohnes
- CYM E-Newsletter editing and coordination with Alice Brown - Janis Bommer & Emily Sityar
- Liaison with Diocesan Youth Ministries - Kelly Sandburg
- Liaison with the Outreach Committee - Laura Lohnes & Emily Sityar

Emily Sityar will be the Administrative Liaison with Alice Brown and Diane Sprague, coordinating class lists and registration, class schedules, and budget management. In the short term, Emily will work with the new Rector to plan and lead meetings with the teachers and the CYM Board.
