Assistant: Wes Stone

We teach this class because the students are at an age where they love hands-on projects, arts and crafts. We talk about our topic with a story around our 'campfire' then move to the tables to get creative and continue talking about the day's lesson. We strive for a fun and engaging classroom. We want our students to look forward to Sunday school. We hope that they feel safe and welcome here and know that they are an important part of our church community.
