The Brick Paver Project is **Ongoing.** Thank you for the donation of an engraved brick in the next phase of the refurbished Cannon Project in front of the American Legion Post 690. Proceeds from this commemoration will benefit the Post and needed capital improvements.

Each brick donation will cost $125. Each brick will accommodate 3 text lines with up to 13 characters per line. Icons* are available for each brick. Please allow spacing for icon based on the chart below and indicate placement on brick. ***Please block out the lines to be used for the icon before entering words.*** The engraving company reserves the right to determine the final location of the icons and the Legion reserves the right to edit the text. *The Legion is not responsible for correcting illegible text which might be incorrectly interpreted. Please use capital letters in filling out the form.*
