

October 2020

Dear Parents/Guardians,

In an effort to adhere to our social distancing guidelines, the dates for the ISEE exam must be changed. The test will now be offered on Saturday, December 12 or Sunday, December 13 at both the Westchester Middle School campus and the Manhattan Middle School campus. Parents have the option to choose either date. Pre-approved accommodations will still apply.

If you have registered, you do not need to contact ERB. If you have not registered, please follow our original instructions to register for the test.

For students planning to test in Westchester, please email Ronnie Berish at [rwerish@thewindwardschool.org](mailto:rwerish@thewindwardschool.org) to confirm your testing date. For students planning to test in Manhattan, please email Rachel Leone at [rleone@thewindwardschool.org](mailto:rleone@thewindwardschool.org) to confirm your testing date. You must submit your test date choice and all test accommodation requests by **Friday, October 16**.

Students will need to bring a nut-free lunch, and, at a later date, we will email you a list of supplies your child should bring to the testing. Additionally, you are required to complete the Magnus application questionnaire which will be emailed to you before the test. If you receive a **NO**, the student will not be allowed to enter the building to take the test. Temperatures will also be taken at the door.

Please do not hesitate to contact us with any questions you may have.

Sincerely,

Ronnie Berish

Coordinator of Special Services

Rachel Leone

Assistant Coordinator of Special Services
