

New Reopening Guidelines

After receiving recommendations from the Health Care Task Force, the Session has made the following changes to our reopening guidelines.

- During worship in the sanctuary mask-wearing is optional for those who are vaccinated and recommended for those who are not vaccinated.
- Worship leaders will not wear masks while speaking but will wear masks when not speaking.
- The Cantor will have the option of not wearing a mask while singing.
- The seating capacity in the sanctuary will remain at half capacity.
- The service will continue to be simulcast in the Fellowship Hall for those who are more comfortable in that context and for any possible overflow.
- When you arrive for worship, please seat yourself where cushions are provided. This will help with social distancing.

We are excited to have you back in the sanctuary with these guidelines!
