

January 2025

Dear Catholic School Parents,

As your new Archbishop, I extend a warm invitation to you to join us in celebrating Catholic Schools Week 2025! This annual event, held from January 26 to February 1, is a special time to recognize the invaluable contributions of our dedicated educators, staff, and, most importantly, our students.

Catholic schools play a vital role in our community, providing a nurturing environment where faith and academics are seamlessly integrated. Our schools strive to instill in our children a strong moral compass, a love of learning, and a deep understanding of the Catholic faith.

During Catholic Schools Week, we will have the opportunity to:

- **Showcase the outstanding work of our students and teachers.**
- **Express our gratitude to the many individuals who make our schools possible.**
- **Highlight the unique benefits of a Catholic education.**
- **Invite the broader community to learn more about our schools.**

I encourage you to participate in the various activities and events planned for Catholic Schools Week. Whether it's attending an open house, volunteering your time, or simply spending time with your child and discussing the importance of their Catholic education, your involvement is deeply appreciated.

Let us join together to celebrate the blessings of Catholic education and to ensure that our schools continue to thrive for generations to come.

Sincerely yours in Christ,

Most Reverend Jeffrey S. Grob  
Archbishop of Milwaukee
