

FAMILIES FOR EARLY AUTISM TREATMENT IS DEDICATED TO EFFECTIVE TREATMENT FOR ALL INDIVIDUALS WITH AUTISM

Dear Friends:

2024 FEAT Walk Raffle

The impact of autism is phenomenal, sending shock waves into every aspect of family life. There is no known cause or cure for autism. The Centers for Disease Control and Prevention estimates that autism spectrum disorder (ASD) affects **one in 44** children. The **2024 FEAT Walk & Spring Carnival & Raffle** benefits **FAMILIES FOR EARLY AUTISM TREATMENT**, a nonprofit volunteer-driven organization established in 1993 and comprised of parents who have children with autism who volunteer their time and resources to serve the Northern California autism community.

FEAT Walk's peer-to-peer campaign **brings often isolated families together** to raise awareness and funds for FEAT's mission to provide free education, advocacy and support that helps individuals with autism to reach their full potential and live their maximum quality of life.

FEAT Walk also connects families and their friends in meaningful ways. They can relax with their peers, enjoy a 2k nature walk, and fun carnival booths featuring games, face painting, animal balloons and more. One of the highlights of the day is our **FEAT RAFFLE BOOTH**, where business donations are generously made and recognized.

FEAT Walk's RAFFLE helps underwrite free Parent Workshops, monthly Family Resource Meetings, five annual Family Events, as well as *website and social media support* that **give hope** to families living with autism. Your generous donation and business will be recognized on **FEAT Walk's** website Sponsor Listing, event signage, and on participant handouts. Will you join us by providing **RAFFLE** items to be showcased at the eighth **2024 FEAT Walk & Spring Carnival** to be held on **Saturday, April 13, 2024**, at Maidu Community Park in Roseville CA. Estimated participation is 250-500.

Please mail donations to FEAT Volunteer

Lisa Marshik, 319 Blossom Valley Drive, Los Gatos, CA 95032
