

the power of  
"together"

**Dear Friends:**

We are excited to invite *vendors* and *sponsors* to participate in **Families for Early Autism Treatment's 2023 FEAT Walk & Autumn Jamboree** to be held Saturday **October 14, 2023** at Maidu Community Park in Roseville, California. FEAT's **eightth** "grassroots" **FEAT Walk** celebrates *the power of "together"*, drawing 300 to 500 family members, friends, volunteers and providers for an enjoyable day and a campaign to raise vitally needed funds for FEAT's work with the local autism community. **FEAT Walk** is a valuable opportunity for **vendors** and **sponsors** to connect with and support families affected by autism.

- **FEAT is a volunteer-driven nonprofit** that relies *solely* on individual and business donations to provide resources to the local autism community.
- **FEAT Educates** families via **free** *Parent Workshops* and monthly *Resource Meetings* featuring experts who cover complex topics that parents need to learn about to navigate and secure best outcome treatment. The online meetings provide connection and support for meeting the challenges of daily life.
- **FEAT Advocates** for children with autism while volunteer FEAT coaches train parents to become their child's most effective advocate.
- **FEAT Connects Families by hosting four or more annual events for all ages** in various regions of Greater Sacramento. *FEAT WALK, Aquatics Complex Pool Party, Bishop's Pumpkin Farm, Spring Picnic* provide FUN respite for families who are often caught in cycles of tremendous stress and isolation.
- **FEAT's volunteer board of directors** each have family members with autism. Board members work hard behind the scenes to impact legislature that benefits affected individuals as they age out of school and become adults.

**There is no cure for autism.** Thirty years ago when FEAT began, the prevalence of autism was one in 10,000. Today autism spectrum disorder affects one in 44 children and **FEAT's** free membership exceeds 2500 local families. **Please consider partnering with us as a SPONSOR** for **2023 FEAT Walk & Autumn Jamboree**. ***Together, we can make a difference.***
