Cat6 CMR Riser Rated UTP Solid Bulk Cables
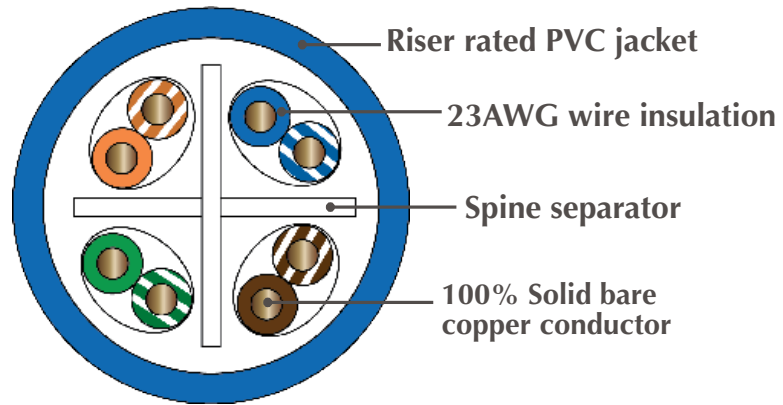

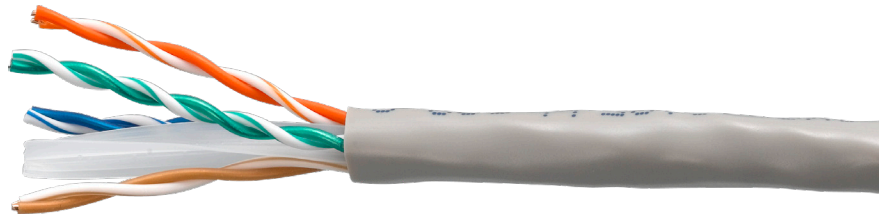

Cat6 CMR 550MHz 23 AWG UTP Solid Bulk Cables

Features:

- Cat6 solid bulk cable is perfect for making custom length in-wall horizontal network cable runs.
- CMR (riser) rated PVC jacket is designed for indoor installations.
- Certified to handle Gigabit Ethernet with a bandwidth of up to 550 MHz.
- Complied with EIA/TIA standard by UL and ETL.
- RoHS Compliant.

Colors:

Lengths: 1000FT

Riser rated PVC jacket

23AWG wire insulation

Spine separator

100% Solid bare copper conductor

Cat 6 High-Performance Gigabit Network Cable

Accu-Packet 550

Category 6, UTP CMR Solid Bulk Cables, 1000 ft.
