

MUNICIPAL GRANTS

(Current as of March 3, 2017)

Please note that this document contains a selection of federal, state, and private grant and loan funding opportunities organized by funding topic. Funding topic sections are listed in the order as follows:

- *Infrastructure Funding*
- *Water & Energy Funding*
- *Transportation Funding*
- *Parks & Recreation Funding*
- *Housing & Community Development Funding*
- *Law Enforcement Funding*
- *Fire Department Funding*
- *Health & Wellness Funding*
- *Miscellaneous Funding*
- *Upcoming Funding (for all categories)*

Within each topic section, grants are listed in order by those with hard deadlines, quarterly deadlines, and those which are due continuously. If there are no current opportunities for a given category, it will be indicated. Some funding opportunities are only available in certain geographic regions and these are indicated in their respective sections.

INFRASTRUCTURE FUNDING

CalRecycle: 2017-18 Tire-Derived Product Grant Program

Primary Deadline: April 12, 2017

Secondary Deadline: May 11, 2017 (for Resolution & EPPP documents only)

Amount: \$150,000 per grant award. \$1 Million has been allocated for the entire program for 2017-18.

Match: Any project costs not covered by the grant award, including construction and installation.

Eligibility: Public entities including: California cities, counties, public school districts, public colleges and universities, special districts, park or recreational districts, and state agencies.

<http://www.calrecycle.ca.gov/Tires/Grants/Product/FY201718/default.htm>

CalRecycle administers a program to provide opportunities for the diversion of tires from landfill disposal, prevent illegal tire dumping, and promote markets for recycled-content products. The Tire-Derived Product (TDP) Grant Program is a reimbursement grant designed to use TDPs for re-purposing projects such as pathways, landscaping, mats, playground surfacing, curb stops, and ramps. Only one application per qualifying entity will be accepted and only for projects within California. A minimum of 2,500 California-generated waste tires must be used per application. Multiple products/projects may be combined to achieve this minimum. Project(s) must not have previously received CalRecycle grant funds.

California Infrastructure and Economic Development Bank (IBank): Infrastructure State Revolving Fund (ISRF) Program

Deadline: Continuous

Amount: \$50,000 to \$25 million or more (with IBank Board approval)

Financing Terms:

The interest rate benchmark is Thompson's Municipal Market Data Index. Staff may adjust the interest rate based upon factors that include: Unemployment, Medium Household Income, Environmental, and Other special circumstances. The IBank Board has final approval of the interest rate. Maximum 30 year term Open application process

Eligibility: Any subdivision of a local or state government. Applicant may also be a company, corporation, association, partnership, firm, or other entity or group of entities organized as a public benefit not-for-profit entity engaged in business or operations within the state

http://ibank.ca.gov/infrastructure_loans.htm

The ISRF Program provides financing for public infrastructure projects such as: environmental mitigation; port facilities; power and communications transmission or distribution facilities; public transit; solid waste collection and disposal; defense conversion; as well as military infrastructure. A project must promote economic development and attracts, creates, and sustains long-term employment opportunities. Eligible uses include, but are not limited to, construction or modification of the following:

- educational, cultural, and social facilities;
- public infrastructure, purchase and install pollution control or noise abatement equipment;
- parks and recreation facilities;
- docks, harbors, piers, marinas;
- facilities for and/or transmission or distribution of electrical energy, natural gas, and telecommunication;

- air and rail transport of goods, including parking facilities;
- transfer stations, recycling centers, sanitary landfills, waste conversion and recycling facilities;
- facilities for successfully converting military bases;
- facilities on or near a military installation that enhance military operations acquire land in conjunction with such project

California Statewide Communities Development Authority: Statewide Community Infrastructure Program (SCIP)

Deadline: Continuous

Amount: Varies. Financing is for low interest, tax-exempt bonds.

Eligibility: Public agencies

<http://cscda.org/Apply-Online/Statewide-Community-Infrastructure-Program>

In response to the increasing local agency staff time and budget pressures caused by new commercial, industrial or residential development, CSCDA offers the Statewide Community Infrastructure Program (“SCIP”).

USDA Rural Development: Community Facilities Grants & Loans

Deadline: Continuous

Amount: Varies by population & income (typically no larger than \$30,000)

Match: Varies by population & income (60% - 80%)

Eligibility:

<http://www.rurdev.usda.gov/CA-CFPrograms.html>

Community Facilities Programs provides grants to assist in the development of essential community facilities in rural areas and towns of up to 20,000 in population. Grants are authorized on a graduated scale. Applicants located in small communities with low populations and low incomes will receive a higher percentage of grants. Grants are available to public entities such as municipalities, counties, parishes, boroughs, and special-purpose districts, as well as non-profit corporations and tribal governments.

WATER & ENERGY FUNDING

DWR/CFDA: Agricultural Water Use Efficiency & State Efficiency and Enhancement Program

Deadline: April 21, 2017

Amount: \$200,000 maximum award

Match: 50% match of the total project cost

Eligibility: Public agencies, public utilities, federally recognized or state Indian tribes, nonprofit organizations, mutual water companies, and investor-owned utilities regulated by the California PUC.

<http://www.water.ca.gov/wuegrants/AgWUEPilot.cfm>

Through this competitive grant program, DWR and CDFG intend to demonstrate the potential multiple benefits of conveyance enhancements combined with on-farm agricultural water use efficiency improvements and greenhouse gas reductions. The grant funding provided in this joint program is intended to address multiple goals including: 1) water use efficiency, conservation and reduction, 2) greenhouse gas emission reductions, 3) groundwater protection, and 4) sustainability of agricultural operations and food production. It is also anticipated that there will be benefits to water and air quality, groundwater security, surface water conservation, and improved nutrient management and crop health through this program. Excellent proposals will demonstrate the specific regional needs and benefits of their proposals.

US Bureau of Reclamation: 2017 WaterSMART - Small Scale Water Efficiency Projects Grant

Deadline: April 27, 2017

Amount: Up to \$75,000. Applicants will be limited to a \$150,000 cap on project cost.

Match: 50% of the project costs up to \$75,000.

Eligibility: States, Indian tribes, irrigation districts, water districts, or other organizations with water or power delivery authority (may include municipalities)

<http://www.usbr.gov/watersmart/weeg/index.html>

The WaterSMART - Small Scale Water Efficiency Projects Grant is a new program intended to support specific small-scale water efficiency projects that have been prioritized through planning efforts led by the applicant. Larger projects or those with multiple project components, such as a renewable energy component, should be submitted under WaterSMART Water and Energy Efficiency Grants.

California Department of Housing and Community Development (HCD): Community Development Block Grant (CDBG) 2016 Drought Lateral Grant

Deadline: May 31, 2017

Amount: \$150,000 - \$2 Million

Match: None.

Eligibility: Non-entitlement CDBG jurisdictions in California only. See Appendix A - Non-Entitlement CDBG Jurisdictions List by following the link below.

<http://www.hcd.ca.gov/financial-assistance/community-development-block-grant-program/currentnofas.html>

The Department of Housing and Community Development (Department) is pleased to announce the availability of approximately \$5,000,000 in federal Community Development Block Grant

(CDBG) funding for direct relief and mitigation of the effects of the 2014 California Drought Disaster, as declared by Governor Brown. This NOFA applies only to the installation of CDBG-eligible water lateral connections to new or existing public water systems for single- and multi-family residential structures that have no running water as a result of having a dry or contaminated well. Also included are water meters, system connection fees and the abatement of existing dry wells. The CDBG-eligible activity is Housing Rehabilitation.

State Water Resources Control Board: Water Recycling Funding Program (WRFP)

Deadline: December 2030 (currently accepting applications via FAAST system)

Amount: \$75,000 (for Planning Grants); \$15-\$20 Million (for Construction Grants)

Match: 50% (for Planning Grants); 35% (for Construction Grants)

Financing: For Construction applications Interest at 1/2 General Obligation Bond Rate; 30 year term; Allowance following the CWSRF Policy

Eligibility: local public agencies

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/water_recycling/proposition_1_funding.shtml

The State Water Resources Control Board (State Water Board) provides funding for the planning, design, and construction of water recycling projects that offset or augment state fresh water supplies. There are two programs within this fund:

- **Planning Grants:** The purpose of the planning grant is to assist agencies or regions with completing feasibility studies for water recycling projects using treated municipal wastewater and/or treated groundwater from sources contaminated by human activities. Only local public agencies are eligible to apply for planning grants.
- **Construction Grants:** The Water Recycling Funding Program provides grants and financing to eligible applicants for the construction of water recycling facilities. Construction projects may be funded with grants and low interest financing from a state bond, a CWSRF financing agreement, or combinations of funding sources. Eligible applicants are local public agencies, nonprofit organizations, public utilities, state & federal recognized Indian tribes, and mutual water companies.

California Energy Commission (CEC): Interest Rate 1% Loan Financing For Energy Efficiency & Energy Generation Projects

Deadline: Applications are funded on a first-come, first-served basis until funding is exhausted

Amount: Maximum loan amount of \$3 million per applicant

Financing Terms: Loans must be repaid from energy cost savings or other legally available funds within a maximum term of 20 years (including principal and interest).

Eligibility: Cities, Counties, Specials Districts, Public Colleges or Universities

<http://www.energy.ca.gov/efficiency/financing/>

The CEC is offering loans financing for energy efficiency and energy generation projects for Public Agencies. Projects with proven energy and/or demand cost savings are eligible, provided they meet the ECAA eligibility requirements. Projects already funded with an existing loan or already installed are ineligible. Examples of Qualified Projects include the following:

- Lighting systems
- Heating, ventilation and air conditioning equipment
- Streetlights and LED traffic signals
- Energy management systems and equipment controls

- Pumps and motors
- Building envelope and insulation
- Energy generation including renewable energy and combined heat and power projects
- Water and waste water treatment equipment
- Load shifting projects, such as thermal energy storage

California Energy Commission: The Energy Partnership Program

Deadline: Continuous

Amount: \$20,000 of a consultant's costs

Match: Any amount in excess of the \$20,000 provided by CEC

<http://www.energy.ca.gov/efficiency/partnership/index.html>

The Energy Partnership Program can conduct an energy audit of existing facilities identify energy saving projects, including: Conduct energy audits and prepare feasibility studies; Review existing proposals and designs; Develop equipment performance specifications; Review equipment bid specifications; Assist with contractor selection; and Review commissioning plans. The Energy partnership also provides technical assistance early in the design phase of new facility construction, including: Provide design review consultation; Identify cost-effective, energy-saving measures; Compare different technologies; Review schematics and construction plans; Provide equipment specification consultation; Develop computer simulation models of your planned project; Help select experienced professionals with energy efficiency expertise; and Assist with system commissioning.

State Water Resources Control Board: Clean Water State Revolving Fund (CWSRF) Program

Deadline: Continuous

Amount/Financing: No maximum funding or disbursement limits. Financing Term up to 30 years or the useful life of the project. Interest Rate is ½ the most recent General Obligation (GO) Bond Rate at time of funding approval.

Eligibility: Any city, town, district, or other public body created under state law, including state agencies

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/srf/

The Clean Water State Revolving Fund (CWSRF) program offers low cost financing for a wide variety of water quality projects. The program has significant financial assets, and is capable of financing projects from <\$1 million to >\$100 million. Eligible projects include, but are not limited to:

1. Construction of publicly-owned treatment facilities: Wastewater treatment; Local sewers; Sewer interceptors; Water reclamation and distribution; Stormwater treatment; Combined sewers; Landfill leachate treatment
2. Implementation of nonpoint source (NPS) projects to address pollution associated with: Agriculture; Forestry; Urban Areas; Marinas; Hydromodification; Wetlands
3. Development and implementation of estuary comprehensive conservation and management plans for: San Francisco Bay; Morro Bay; Santa Monica Bay

State Water Resources Control Board: Clean Water State Revolving Fund (CWSRF) Green Project Reserve Program

Deadline: Applications accepted on a continuous basis

Amount: \$2.5 Million maximum; \$30 million allocated to entire program

Match: None

Eligibility: Municipalities

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/srf/

Effective with the Clean Water State Revolving Fund's (CWSRF) 2015 Capitalization Grant from U.S. EPA, the State Water Resources Control Board has \$30 million available to provide CWSRF loan (principal) forgiveness to projects that address water or energy efficiency, mitigate storm water runoff, or encourage sustainable project planning, design, and construction. There are four categories of green projects: green infrastructure, water efficiency, energy efficiency, and environmentally innovative activities.

State Water Resources Control Board: Drinking Water State Revolving Fund (DWSRF) Program

Deadline: Continuous

Amount/Financing: No maximum disbursement limit. Interest rates average 2-3% and 20 year loan. Public water systems that serve small, disadvantaged communities may be eligible for 0% and 30 year loan.

Eligibility: Community water systems and non-profit, non-community water systems.

http://www.waterboards.ca.gov/drinking_water/services/funding/SRF.shtml

On October 21, 2014, the State Water Resources Control Board (State Water Board) adopted the *Policy for Implementing the Drinking Water State Revolving Fund (DWSRF Policy)* effective January 1, 2015. The purpose of the DWSRF is to provide financial assistance for the planning/design and construction of drinking water infrastructure projects that are needed to achieve or maintain compliance with federal and state drinking water statutes and regulations.

Funding for the DWSRF comes from federal grants, state sources, and loan repayment.

Applications are offered for the following two categories:

1. Construction Financing - These funds are for applicants with complete final plans, specifications, and environmental documentation.
2. Planning/Design Financing - These funds are for applicants who do not have final plans, specifications, and environmental documentation.

State Water Resources Control Board: Proposition 1 Small Community Wastewater Program

Deadline: Continuous

Amount/Financing: \$260 Million allocated to program. Like CWSRF (see above) there is no maximum funding or disbursement limits. Financing Term up to 30 years or the useful life of the project. Interest Rate is ½ the most recent General Obligation (GO) Bond Rate at time of funding approval.

Eligibility: Most cities, towns, districts, or other public bodies created under state law, including state agencies

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/small_community_wastewater_grant/projects.shtml

Section 79723 of Prop 1 allocates \$260 million to the Clean Water State Revolving Fund

(CWSRF) Small Community Grant (SCG) Fund. The State Water Board has an annual SCG appropriation of \$8 million dollars, which is administered consistent with the CWSRF Intended Use Plan (IUP), and the CWSRF Policy. The Prop 1 funds will supplement existing SCG authority. Eligible projects are similar to the CWSRF program and include, but are not limited to:

1. Construction of publicly-owned treatment facilities: Wastewater treatment; Local sewers; Sewer interceptors; Water reclamation and distribution; Stormwater treatment; Combined sewers; Landfill leachate treatment
2. Implementation of nonpoint source (NPS) projects to address pollution associated with: Agriculture; Forestry; Urban Areas; Marinas; Hydromodification; Wetlands

State Water Resources Control Board: Safe Drinking Water State Revolving Fund (SDWSRF)

Deadline: Pre-application, requires annual invitation

Amount: \$ 500,000-\$5,000,000

Match: 20% of eligible project costs

http://www.waterboards.ca.gov/drinking_water/services/funding/SRF.shtml

This program provides support to engage in the demonstration of innovative technologies, methods, practices, and techniques in three areas: operational safety, infrastructure or equipment resiliency, and all-hazards emergency response and recovery methods.

State Water Resources Control Board: Water and/or Energy Audits Program

Deadline: Continuous

Amount: Up to \$35,000

Match: None

Eligibility: Any municipality, inter-municipal, interstate or state agency with facilities or activities eligible for Clean Water State Revolving Fund (CWSRF) financing may apply.

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/srf/

This program is for CWSRF-eligible agencies that need financial assistance to find out if they can improve water and energy efficiency. The State Water Resource Control Board will provide funding to conduct a Water and/or Energy Audit to assess an agency's current practices and identify potentially inefficient water and/or energy use. The State Water Resources Control Board can fund 100% of audit costs, up to a maximum of \$35,000. Applications are submitted online by submitting a Water or Energy Audit Financial Assistance Application with attachments through FFAST (Financial Assistance Application Submittal Tool).

USDA Rural Development: Water & Waste Disposal Grant/Loan Program

Deadline: Continuous

Amount/Financing: Grant amount varies. Loan has up to 40-year payback period, on a fixed interest rate of 3.125% or lower.

Eligibility: state and local government entities, private nonprofits, federally-recognized tribes in rural areas with fewer than 10,000 people.

<http://www.rd.usda.gov/programs-services/water-waste-disposal-loan-grant-program/ca>

This program provides long-term low interest loans for clean and reliable drinking water systems, sanitary sewage disposal, sanitary solid waste disposal, and storm water drainage to households and businesses in eligible rural areas. Funds may be used to finance the acquisition,

construction or improvement of: Drinking water sourcing, treatment, storage and distribution; Sewer collection, transmission, treatment and disposal; Solid waste collection, disposal and closure; and Storm water collection, transmission and disposal. In some cases, funding may also be available for related activities such as: Legal and engineering fees; Land acquisition, water and land rights, permits and equipment; Start-up operations and maintenance; Interest incurred during construction; Purchase of existing facilities to improve service or prevent loss of service; and Other costs determined to be necessary for completion of the project.

ENVIRONMENT, CONSERVATION, & AIR QUALITY FUNDING

National Fish and Wildlife Foundation: Resilient Communities Grant Program

Deadline: March 30, 2017 (pre-proposals); May 31, 2017 (invited full proposals)

Amount: \$100,000 - \$500,000 depending on project category

Eligibility: Nonprofit organizations, local governments, and Indian tribes are eligible to apply in both project categories.

<http://www.nfwf.org/resilientcommunities/Pages/2017rfp.aspx>

The Resilient Communities program, an initiative of the National Fish and Wildlife Foundation with support from Wells Fargo, is dedicated to helping communities prepare for future impacts associated with sea level rise, water quantity and quality, and forest conservation. The program places special emphasis on helping traditionally underserved, low- and moderate-income communities build capacity for resiliency planning and investments in “greener” infrastructure. In 2017, grants will be offered in the following two categories:

1. The Regional Adaptation through Regional Conservation Projects category will support projects that help prepare for fire in the Western Region, floods and droughts in the Central Region, and sea-level rise in the Eastern Region. Grants in this category will range from \$200,000 to \$500,000.
2. The Community Capacity Building and Demonstration Projects category will support projects that help communities understand, organize, and act to address risks and opportunities through improved resilience brought about by enhanced natural features. Grants in this category, ranging from \$100,000 to \$250,000, can take place anywhere in the U.S., but should address multiple cities and communities.

Bay Area Air Quality Management District: Charge Program

Release: February 27, 2017

Deadline: May 22, 2017

Amount: Varies. An initial allocation of \$5 million is available, and funding will be awarded to qualifying projects on a first-come, first-served basis.

Match: None

Eligibility: Public and private entities located within the boundaries of the Air District’s jurisdiction

<http://www.baaqmd.gov/grant-funding/businesses-and-fleets/charge>

The Air District is pleased to announce the 2017 Charge! Program, an incentive program that offers grant funding to help offset a portion of the cost of purchasing, installing, and operating new publicly available charging stations at qualifying facilities within the Air District’s jurisdiction. The goal of the Charge! Program is to rapidly expand access to electric vehicle, or EV, charging stations to accelerate the Bay Area’s adoption of EVs and ultimately to achieve the region’s EV deployment goals of 110,000 EVs by 2020 and 247,000 EVs by 2025. As of December, 2016, there are approximately 83,000 EVs registered to Bay Area drivers. Applicants must attend at least one mandatory pre-application workshop before applying. Each workshop will be held online via webinar and is limited to 100 attendees. Registration is required. Please see the program website via the link above.

San Joaquin Valley Air Pollution Control District (SJVAPCD): Charge Up Program

Deadline: Continuous until funding exhausted

Amount: \$50,000 cap (see breakdown below)

Match: None

Eligibility: private entities, non-profit agencies, or a public agency intending to install EV chargers for public access charging that are located within the boundaries of the SJVAPCD's jurisdiction

<http://www.valleyair.org/grants/chargeup.htm>

The purpose of this program is to fund the purchase and installation of new electric vehicle Level 2 chargers to promote clean air alternative-fuel technologies and the use of low- or zero-emission vehicles. Grant amounts are provided as follows:

- \$5000 per unit for Level 2 Single-Port Chargers
- \$6,000 per unit for Level 2 Dual-Port Chargers

Funding amounts listed apply towards the charger, eligible installation costs, and necessary signage; they are not rebates nor intended for currently-installed charger units. Publicly accessible EV chargers must be available and opened to the public for a minimum of 30 hours per week during hours that would be reasonably used by the public. These chargers must be available for public use during times in which public parking is allowed at the site of the EV chargers.

San Joaquin Valley Air Pollution Control District (SJVAPCD): Public Benefit Program - Community Improvement Projects that Reduce Vehicle Use and Emissions Component

Deadline: Continuous

Amount: Up to \$3,000,000 per project

Match: 50% of the total project costs

Eligibility: cities, counties, special districts, public educational institutions located within the boundaries of the SJVAPCD's jurisdiction

<http://valleyair.org/grants/publicbenefit.htm>

The San Joaquin Valley Air Pollution Control District (District) is pleased to announce the opening of the Community Improvement Projects that Reduce Vehicle Use and Emissions Component under its Public Benefit Grants Program. This component is intended to fund land use and community development projects that reduce vehicle use and emissions through enhanced walkability and increased use of zero and near-zero transportation options. The purpose of this component is to help provide match assistance funding to Valley public agencies to help enhance their applications for local, state, and federal funds for these types of projects. Eligible applicants are public agencies such as cities, counties, special districts (i.e. water districts, irrigation districts, etc.) and public educational institutions (i.e. school districts, community colleges, state universities, etc.) located within the geographic boundaries of the District. Applications are being accepted on a first-come, first-serve basis.

TRANSPORTATION FUNDING

US Department of Transportation: FY 2017 California Federal Lands Access Program (CA FLAP)

Deadline: April 7, 2017

Amount: Varies. \$32.9 Million allocated to entire program.

Match: 11.47% or greater of total project cost

Eligibility: State, county, tribal, or city government agencies that own or maintain the transportation facility.

<https://flh.fhwa.dot.gov/programs/flap/ca/>

The California Federal Lands Access Program (CA FLAP) is a competitive, discretionary program for states, counties, tribes and local governments. The program provides funds for transportation facilities that provide access to, or are located on or adjacent to Federal lands, with emphasis placed on facilities that improve access to high use recreation sites or Federal economic generators. The Federal lands access transportation facility must be owned or maintained by the state, tribe or local government. Eligible projects include engineering, rehabilitation, restoration, construction, reconstruction, transportation planning, and research of Federal lands access transportation facilities.

Bay Area Air Quality Management District: Bikeways, Roads, Lanes and Paths Program

Deadline: Continuous until funding exhausted

Amount: Varies. An initial allocation of \$5 million is available, and funding will be awarded to qualifying projects on a first-come, first-served basis.

Match: None

Eligibility: Municipalities, government agencies, and public educational institutions located within the boundaries of the Air District's jurisdiction

<http://www.baaqmd.gov/grant-funding/public-agencies/bikeways-roads-lanes-paths>

In fiscal year ending 2016, up to \$3.84 million are available for bicycle parking and bikeway projects. Funding is offered on a first-come, first-served basis until all funds have been spent. In order to be eligible for funding projects must be included in an adopted countywide bicycle plan, Congestion Management Plan (CMP), or the Metropolitan Transportation Commission's Regional Bicycle Plan. Funding is available for the following project types:

- New Class-1 bicycle paths;
- New Class-2 bicycle lanes;
- New Class-3 bicycle routes; and
- New Class-4 cycle tracks or separated bikeways.

California Statewide Communities Development Authority: Total Road Improvement Program (TRIP)

Deadline: Continuous

Amount: Varies. Local governments leverage their State Motor Vehicle Fuel Tax to finance road improvement projects.

Eligibility: Local public agencies (cities and counties)

[http://cscda.org/Public-Agency-Programs/Total-Road-Improvement-Programs-\(TRIP\)](http://cscda.org/Public-Agency-Programs/Total-Road-Improvement-Programs-(TRIP))

CSCDA offers a pooled securitization program to assist local agencies in bonding against future payments to obtain funding for more projects today. As a pooled public offering, program participants will benefit from reduced issuance costs and better interest rates as compared to stand alone issues. The program does not require a pledge of the local agency's General Fund. The Gas Tax Accelerated Street Improvement Program will allow local governments to leverage their State Motor Vehicle Fuel Tax (the "Gas Excise Tax") to finance road improvement projects. The use of proceeds from the Gas Excise Tax, an 18-cent State excise tax collected on fuel sales, is restricted to the maintenance and construction of public streets and highways. The obligations will be secured solely by a pledge of Gas Excise Tax revenues of the participating agencies.

San Joaquin Valley Air Pollution Control District (SJVAPCD) Public Benefit Program - New Alternative Fuel Vehicle Purchase Grant

Deadline: Continuous until funding exhausted; ASAP

Amount: \$20,000 per vehicle (max); \$100,000 per agency (max)

Match: Any vehicle costs in excess of the \$20,000 reimbursement amount

Eligibility: Public agencies located within the boundaries of the SJVAPCD's jurisdiction

<http://valleyair.org/grants/publicbenefit.htm>

This component provides funding for the purchase of new alternative fueled vehicles (Electric, Plug-In Hybrid, CNG, LNG, LPG, etc.) Applications for this component are currently being accepted on a first-come, first-serve basis.

South Coast Air Quality Management District (SCAQMD): On-Road Heavy-Duty Voucher Incentive Program (VIP)

Deadline: Continuous until funds are exhausted

Amount: Maximum of \$45,000 available per truck for replacements and up to \$10,000 for retrofits

Match: None

Eligibility: owners/operators with *fleets of 10 or fewer* vehicles that have been operating at least 75% (mileage-based) in California during the previous twenty four (24) months *in the SCAQMD service area*.

<http://www.aqmd.gov/home/programs/business/business-detail?title=voucher-incentive-program>

VIP reduces emissions by replacing old, high-polluting vehicles with newer, lower-emission vehicles, or by installing a retrofit device. The goal of this program is to reduce emissions from in-use heavy-duty trucks in small fleets by retrofitting Engine Model Years 2006 and older or by replacing Engine Model Years 2006 and older with Model Years 2007 (or newer) emissions compliant models. The VIP is implemented by SCAQMD through contractual agreements with Dealers, Dismantlers, and Retrofit Installers. The Dealers/Retrofit Installers will apply to the SCAQMD for the vouchers on behalf of the applicant. If approved, the voucher amount will be deducted from the total purchase price of the truck or retrofit device by the Dealer or Retrofit Installer, respectively. Applicants interested in replacing their truck must purchase their replacement truck through an SCAQMD-approved VIP Participating Dealership that has completed the required training for the VIP. Similarly, applicants interested in retrofitting their truck must purchase their retrofit device through an SCAQMD-approved VIP Participating Retrofit Installer who has completed the required training for the VIP. A current list of SCAQMD approved Dealerships and Retrofit Installers is included below. Additional updates to these lists will be posted on our webpage as they become available.

PARKS & RECREATION FUNDING

California Natural Resources Agency (CRNA): Urban Greening Grant Program

Deadline: April 11, 2017 (for optional concept proposals); May 1, 2017 (for online application)

Amount: \$76 million is available for urban greening projects for one grant cycle. There are no minimum or maximum grant amounts for this program.

Match: None

Eligibility: Cities, counties, special districts, nonprofit organizations or joint powers authorities.

<http://resources.ca.gov/grants/urban-greening/>

The Urban Greening Program, funded by the Greenhouse Gas Reduction Fund, will fund projects that transform the built environment into places that are more sustainable, enjoyable, and effective in creating healthy and vibrant communities by establishing and enhancing parks and open space, using natural solutions to improving air and water quality and reducing energy consumption, and creating more walkable and bike-able trails. Grants will be awarded on a competitive basis. This program emphasizes, and gives priority to, projects that are proposed by and benefit the State's disadvantaged communities. Examples of eligible urban greening projects include, but are not limited to, the following:

- Establishment, enhancement, and expansion of neighborhood parks and community spaces
- Greening of public lands and structures, including schoolyards, and which may include
- incorporation of riparian habitat for water capture and provide for other public and wildlife benefits
- Green streets and alleyways
- Non-motorized urban trails that provide safe routes for travel between residences, workplaces, commercial centers, and schools
- Urban heat island mitigation and energy conservation efforts

All eligible projects must result in GHG reductions by including at least one of the following activities: Sequester and store carbon by planting trees; Reduce building energy use by strategically planting trees to shade buildings; or Reduce commute vehicle miles traveled by constructing bicycle paths, bicycle lanes or pedestrian facilities that provide safe routes for travel between residences, workplaces, commercial centers, and schools.

US Soccer Foundation: 2017 Safe Places to Play Grants

Deadlines:

- Summer Grants Cycle: LOIs due May 26, 2017; Application due June 2, 2017
- Fall Grants Cycle: LOIs due September 29, 2017; Application due October 6, 2017

Amount: \$4,000 - \$50,000 or a percentage of total project amount in form of vendor credit (see details below)

Match: None required officially; applicants must contribute additional funds not covered by the grant award

Eligibility: Tax-exempt organizations including: 501(c)(3) nonprofits, churches, individual schools or school districts, cities or municipalities.

<https://ussoccerfoundation.org/grants/application-process/>

Safe Places to Play grants are available in four categories: Synthetic Turf, Lighting, Irrigation, and Sport Court. Multi-sport field projects are eligible for funding, but such fields must be used

most the time for soccer. Multi-field projects are also eligible. All Safe Places to Play grants (except for Irrigation) can be awarded for either indoor or outdoor field projects. Grants are disbursed as in-kind credit with their respective vendor:

- Synthetic Turf Grant Amount: up to 10% of the Hellas project quote.
- Lighting Grant Amount: Typically in the range of 15%-30% of project total, with a maximum of \$25,000 per grant for single fields and \$50,000 for multi-field projects.

California Department of Parks & Recreation: Outdoor Environmental Education Facilities Grant Program

Deadline: September 1, 2017

Amount: Up to \$500,000

Match: Optional. Including a match counts for 5 out of 100 points and consists of the applicant agreeing to pay for all Non-Construction costs.

Eligibility: Cities, Counties, regional park districts, open-space districts, 501(c)(3) Non-profit organizations

https://www.parks.ca.gov/?page_id=29407

The intent of the Outdoor Environmental Education Facilities Grant Program is to provide assistance to local agencies and community-based organizations with regard to the development of outdoor environmental education facilities. Eligible projects include development of public outdoor structures and exhibits that facilitate focused learning. The focused learning must take place in a natural outdoor setting, with native vegetation. The learning must encompass the natural environment, and inspire environmental stewardship and an appreciation of the natural world. The learning must include an understanding of how humans interact with, and are dependent on, natural ecosystems. These structures and exhibits may provide outdoor education on their own (such as signs, kiosks, nature trails), or facilitate providing outdoor recreation (such as campfire centers, amphitheaters, group campgrounds).

Grants are intended to finance a new program, expand or improve an existing program, undertake a new collaborative effort, or obtain facilities or

equipment necessary for youth baseball or softball programs. The Baseball Tomorrow Fund supports projects that meet the following evaluation criteria: increase the number of youth participating in baseball and softball programs; improve the quality of youth baseball and softball programs.

HOUSING & COMMUNITY DEVELOPMENT FUNDING

Kessler Foundation: Signature Employment Grants

Deadline: Online grant concepts are due March 17, 2017; invited proposals must be submitted by July 10, 2017

Amount: \$100,000 to \$250,000

Match: None

Eligibility: Nonprofit organizations, public or private schools, and public institutions, such as universities and government agencies based in the United States or any of its territories are eligible to apply.

<http://kesslerfoundation.org/grantprograms/signatureemploymentgrants.php>

The Kessler Foundation's Signature Employment Grants provide support for non-traditional solutions that increase employment outcomes for individuals with disabilities. Grants ranging from \$100,000 to \$250,000 per year for up to two years are awarded nationally to fund pilot initiatives, demonstration projects, or social ventures that lead to the generation of new ideas to solve the high unemployment and underemployment of individuals with disabilities. Preference is given to interventions that overcome specific employment barriers related to long-term dependence on public assistance or advance competitive employment in a cost-effective manner. Although proposals can be submitted from any state, this year the Foundation has prioritized serving Americans with disabilities that live in rural states and other areas with more limited service delivery. Visit the Kessler Foundation's website to review the Signature Employment Grants guidelines.

The Home Depot Foundation: Community Impact Grants Program

Amount: \$100 - \$500,000

Match: None

Eligibility: Nonprofit organizations, local government agencies, and educational institutions in communities served by the Burlington Northern Santa Fe Railway

<http://www.bnsffoundation.org/>

The Burlington Northern Santa Fe Railway Foundation provides support in communities in the company's area of operations. The Foundation considers requests falling in the following categories:

- **Civic Services:** This area includes organizations which are concerned with the environment and local community issues, such as crime prevention, parks and recreation, diversity and community development.
- **Cultural Organizations:** This area includes performing arts, visual arts, fine arts, and museums and other related activities that offer opportunities for underserved children to experience cultural learning events.
- **Educational Institutions:** This area includes both public and private education, primarily at the college level. (Grants of an exceptional nature may be made to vocational and non-college schools. Preferably, contributions will be directed toward the improvement of the quality of education.)
- **Health and Human Service Organizations:** This area includes hospitals, medical programs, and programs that address chemical dependency treatment and prevention, spouse and child abuse, women's and children's aid, and transitional shelters.
- **Youth Organizations:** This area includes Boys & Girls Clubs, Camp Fire, Scouts, Junior Achievement, and similar groups.

Federated organizations such as United Way and American Red Cross are also supported.

To be considered for a grant, requests should meet at least two of the following criteria:

The organization or project has significant Burlington Northern Santa Fe (BNSF) employee participation; the organization or the services provided are in close proximity to a BNSF main line or BNSF is the only railroad or major corporation in the applicant's area of the state; the request is related to the railroad industry; or, the request is for direct programming or project support.

California Statewide Communities Development Authority: Taxable Bonds Program

Deadline: Continuous

Amount: Varies. Financing is for low interest, tax-exempt bonds.

Eligibility: Public and private entities

<http://cscda.org/Apply-Online/Taxable-Bonds>

- job training; and,
- clean water projects.
- The Foundation funds projects that:
 - benefit individuals and communities at or below the poverty level;
 - improve the quality of life through community development, education, medical help, jobs, agriculture, housing, and water;
 - focus on long-term development, rather than one-time relief projects; and,
 - have a Judeo-Christian influence on those served.

Union Pacific Foundation Community-Based Grant Program

Deadline: Preliminary applications: August 14, annually; Final applications: August 15, annually

Amount: \$10,000

Match: None

Eligibility: Nonprofit organizations and local municipalities in communities served by the Union Pacific Railroad

<http://www.up.com/found/index.shtml>

The Union Pacific Foundation's mission is to improve the quality of life in the communities served by Union Pacific, primarily in the Midwestern and western United States. (A map of Union Pacific's service area is available on the [UP website](#).) The Foundation's Community-Based Grant Program provides support in the following areas:

- Community and Civic: The goal is to assist community-based organizations and related activities that improve and enrich the general quality of life. This category includes organizations such as aquariums, botanical gardens, children's museums, history/science museums, public libraries, public television and radio, and zoos.
- Health and Human Services: The goal is to assist organizations dedicated to improving the level of healthcare and providing human services in the community. Local affiliates of national health organizations may apply for local programs only, but not for general operating support.

The Foundation has a strong interest in promoting organizational effectiveness among nonprofits. To that end, the Foundation will dedicate the majority of these grants to help nonprofit organizations build their capacity, increase their impact, and operate more efficiently and effectively.

Wells Fargo Charitable Contributions Program

- community development, including affordable housing and homebuyer education, workforce development, financial literacy, and economic development;
- education, including higher education and K-12 education;
- human services, including childcare, healthcare, and basic needs;
- the environment, including green economy and clean technologies, natural resources, and endangered species; and,
- arts and culture, including performing arts and museums; and,
- civic engagement.

Wells Fargo prefers to fund outcome-driven programs versus unrestricted sponsorships and events for nonprofits.

LAW ENFORCEMENT FUNDING

US Department of Justice: Swift, Certain, and Fair (SCF) Supervision Program – Including Project HOPE FY 2017 Competitive Grant

Deadline: March 20, 2017

Amount: Five awards of up to \$600,000 each

Match: None required

Eligibility: States, units of local government, territories, and federally recognized Indian tribal governments

<https://www.bja.gov/funding/SCF17.pdf>

The Swift, Certain, and Fair (SCF) Supervision Program, is a strategic approach that brings more “science” into criminal justice operations by leveraging innovative applications of analysis, technology, and evidence-based practices with the goal of improving performance and effectiveness while containing costs. The SCF principles are intended to: (a) improve supervision strategies that reduce recidivism; (b) promote and increase collaboration among agencies and officials who work in community corrections and related fields to enhance swift and certain supervision; (c) enhance the supervised persons’ perception that the supervision decisions are fair, consistently applied, and consequences are transparent; and (d) improve the outcomes of individuals participating in these initiatives. Through this FY 2017 grant announcement, BJA will select multiple applicants to develop, implement, or enhance an SCF model. Applicants selected under this announcement will work with BJA and its SCF training and technical assistance (TTA) partner to implement the model with fidelity. BJA is supporting this effort to enhance public safety, foster collaboration, and improve the outcomes of individuals under the supervision of community corrections.

US Department of Justice: Violent Gang and Gun Crime Reduction Program (Project Safe Neighborhoods) FY 2017 Competitive Grant

Deadline: March 28, 2017

Amount: 12 awards of up to \$200,000-\$500,000 each

Eligibility: PSN team fiscal agents for the United States Attorney Office districts and federally recognized Indian tribal governments. All fiscal agents must be certified by the relevant U.S. Attorney’s Office (USAO). Eligible USAO-certified fiscal agents include states, units of local government, educational institutions, faith-based and other community organizations, private nonprofit organizations, and federally recognized Indian tribal governments.

<https://www.bja.gov/funding/PSN17.pdf>

BJA’s “Smart Suite” of programs invests in the development of practitioner-researcher partnerships that use data, evidence, and innovation to create strategies and interventions that are effective and economical. This data-driven approach enables jurisdictions to understand the full nature and extent of the crime challenges they are facing and to direct resources to the highest priorities. The Smart Suite of programs, which includes Project Safe Neighborhoods (PSN), represents a strategic approach that brings more “science” into criminal justice operations by leveraging innovative applications of analysis, technology, and evidence-based practices with the goal of improving performance and effectiveness while containing costs. PSN is designed to create safer neighborhoods through a sustained reduction in gang violence and gun crime. The program’s effectiveness is based on the cooperation and partnerships of local, state, and federal

agencies engaged in a unified approach led by the U.S. Attorney (USA) in each district. The USA is responsible for establishing a collaborative PSN team of federal, state, and local law enforcement and other community members to implement gang violence and gun crime enforcement, intervention, outreach, and prevention initiatives within the district. Through the PSN team, the USA will implement the five design features of PSN—partnerships, strategic planning, training, outreach, and accountability—to address specific gun crime and gang violence, in the most violent neighborhoods. Details on the five design features (also referred to as core elements) can be found on pages 5-7.

US Department of Justice: OJJDP FY 2017 Safe & Thriving Communities: Planning and Collaboration Grant

Deadline: April 3, 2017

Match: None required

Eligibility: States, units of local government, federally-recognized tribal governments

<https://www.ojjdp.gov/grants/solicitations/FY2017/SafeandThriving.pdf>

The purpose of Safe and Thriving Communities is to support and enhance efforts to develop comprehensive prevention and public health and safety plans to address violence in homes, schools, and communities and the consequent trauma. This initiative is intended to strengthen the capacity of selected communities to collaboratively plan, align, and execute community-driven approaches focused on a shared framework of prevention. OJJDP seeks proposals from jurisdictions grappling with high levels of youth-related gun crime and gang violence. Funding will support selected jurisdictions to undertake strategic planning and capacity-building work through multidisciplinary and community partnerships. OJJDP is seeking proposals from applicant jurisdictions grappling with high levels of youth-related gun crime and gang violence and that can demonstrate a willingness and readiness to develop fully comprehensive, community- and data-driven responses. Funding will support selected jurisdictions to undertake strategic planning and capacity-building work through multidisciplinary and community partnerships.

US Department of Justice: Justice and Mental Health Collaboration Program FY 2017 Competitive Grant

Deadline: April 4, 2017

Amount: 78 awards ranging from \$75,000 - \$300,000

Match: 20% of the project costs from non-federal funds

Eligibility: States, units of local government, territories, and federally recognized Indian tribal governments

<https://www.bja.gov/funding/JMHCP17.pdf>

The Justice and Mental Health Collaboration Program (JMHCPC) supports innovative cross-system collaboration to improve responses and outcomes for individuals with mental illnesses or co-occurring mental health and substance abuse disorders who come into contact with the justice system. BJA is seeking applications that demonstrate a collaborative project between criminal justice and mental health partners from eligible applicants to plan and implement justice and mental health strategies collectively designed between justice and mental health. This solicitation specifically seeks to increase early identification and front-end diversion of people with mental health and co-occurring substance use disorders identified at early intercept points

within the justice system. This program seeks to increase the number of justice, mental health, and community partnerships; increase evidence-based practices and treatment responses to people with behavioral health disorders in the justice system; and increase the collection of health and justice data to accurately respond to the prevalence of justice-involved people with mental health and co-occurring substance use disorders.

HEALTH & WELLNESS FUNDING

Joseph Drown Foundation Education & Community Grants

Deadline: Quarterly (January 15th; April 15th ; July 15th; October 15th)

Amount: Varies by application

Match: None

Eligibility: 501(c)(3) nonprofits, government institutions, schools *in the Los Angeles area*

<http://www.jdrown.org/mission/index.html>

The Foundation's goal is to assist individuals in becoming successful, self-sustaining, contributing citizens. The Foundation is interested in programs that break down any barrier that prevents a person from continuing to grow and learn through grant programs including:

- 1) *Education*: Education is the primary focus of the Foundation. The Foundation supports education programs in K-12, at both public and private schools, that seek to solve the existing problems in Los Angeles area schools. These grants for education reform can be made directly to the schools or to independent organizations which are closely involved with this issue. In addition, the Foundation provides funds to private secondary schools, colleges and universities for student financial assistance, in the form of both scholarships and loan programs. Favor is given to those programs directed at talented middle income students who are unable to obtain assistance from sources specifically available to low income students.
- 2) *Community, Health, & Social Services*: The Foundation is also committed to improving the quality of life in the local community. The Foundation supports programs that encourage all individuals to reach their fullest potential. The best chance a young person has to reach that goal is to stay in school, inside a functioning family, and outside the juvenile justice system. To that end, the Foundation supports programs that deal with issues such as the high drop-out rate, lack of sufficient health care, substance abuse and violence. In addition, the Foundation will consider programs that address poverty issues and assist the economically disadvantaged. Programs aimed at solutions to or the prevention of these problems are favored. Although the Foundation recognizes the importance of Community, Health, and Social Services, it is not the Foundation's primary funding focus.

MISCELLANEOUS FUNDING

USCM and USA Funds: National Education Pathways with a Purpose Initiative

Deadline: March 31, 2017

Amount: \$25,000 - \$100,000

Match: None

Eligibility: United States Conference of Mayors (USCM) Member Cities

<http://www.usmayors.org/pathwayswithapurpose/>

The National Education Pathways with a Purpose Initiative, a collaboration between the United States Conference of Mayors (USCM) and USA Funds, awards competitive grants to expand creative initiatives that mayors have developed in their cities to advance both college and career readiness and college completion. Cities are recognized for developing strong collaborations between K-12 and higher education systems and employers to address college preparation and long-term career success. Eligible programs must apply innovative approaches to achieve the following two goals: enhance student persistence in and completion of post-secondary education or training programs, and enhance employment of graduates of post-secondary education or training programs in high-value occupations. USCM Member Cities are eligible to apply for a total of \$200,000 in grants: \$100,000 to one large city with a population greater than 500,000; \$75,000 to a medium-sized city with a population between 200,000 and 500,000; and \$25,000 to a small city of under 200,000. Match: None

Eligibility: Nonprofit organizations, government entities, and school districts

<http://www.internationalpaper.com/company/regions/north-america/ip-foundation-usa/apply-for-a-grant>

The foundation's primary focus areas include the following:

1. Environmental Education: The Foundation supports programs that help both younger and older generations understand a sustainable approach balancing environmental, social, and economic needs. Examples of supported programs include:
 - science-based programs targeting children;
 - outdoor classrooms at schools or in communities;
 - outdoor science programs tied to forestry, air, or water; and,
 - education-based programs that promote recycling, tree planting, and composting initiatives.
2. Literacy: The Foundation addresses literacy through support of programs that:
 - enhance availability of reading materials at school and community libraries;
 - enhance reading skills of children and adults; and,
 - teach English as a Second Language (ESL).

The Foundation provides limited consideration for funding to new critical needs in company communities. Consideration is given to one-time, non-recurring needs which benefit the community at large. The Foundation considers providing “seed” money on a one-time basis for

requests that identify a community-wide need and provide details of sustaining the initiative within the community beyond International Paper funding. The Foundation generally does not fund capital, economic development, or multi-year projects. Average grant awards are around \$100.

<http://kresge.org/programs/human-services/advancing-effectiveness-human-serving-organizations>

The Kresge Foundation works to improve the life circumstances of poor and low-income children and adults and those living in underserved communities. Through the Human Services Program, the Foundation seeks to expand access and opportunity for individuals and families who are vulnerable and low-income by strengthening human services organizations and promoting new responses to challenges in the sector. One of the program's focus areas, "Advancing the effectiveness of human-serving organizations," provides grants to enhance the ability of high-performing organizations to innovate and effectively support individuals and families on the path to self-sufficient, self-determined lives. Preference is given to nonprofit organizations and government entities that employ integrated, innovative, culturally responsive approaches to change the circumstances of people outside the economic mainstream. Preliminary inquiries may be submitted throughout the year. Visit the Foundation's website for more information.

Whole Foods Market Community Giving Program

Deadline: Continuous

Amount: Varies.

Match: None

Eligibility: Nonprofits and educational organizations in communities with company stores.

<http://www.wholefoodsmarket.com/mission-values/caring-communities/community-giving>

The Whole Foods Market Community Giving Program supports local nonprofit and educational organizations that are important to each community in the U.S. where stores are located.

Several times each year, Whole Foods Market stores hold community giving days (otherwise known as "5% Days") where five percent of that day's net sales are donated to a local nonprofit

or educational organization. The groups that benefit from these 5% Days are as varied as the communities themselves. Each year Whole Foods Market gives a minimum of 5% of its net profits to nonprofit and educational organizations in the locations where the company has stores. Examples of the types of organizations supported include:

- Education: school support organizations, after-school organizations, etc.;
- Community and culture: arts organizations, museums, parks, etc.;
- Human interest: elder care, children and youth, homeless assistance, etc.; and,
- Environmental issues: organic food and farming, natural wildlife protection, green living, etc.

Along with cash donations, Whole Foods Market donates food and other products to area food banks and shelters. Organizations interested in applying for support should contact the Marketing Director at their local store or complete the donation request form available on the company's website.

<http://www.sgc.ca.gov/Grant-Programs/AHSC-Program.html>

The AHSC Program aims to improve mobility options and accessibility to affordable housing by funding connectivity and compact development projects. These multi-faceted projects facilitate the reduction of greenhouse gas emissions by combining elements of affordable housing development, key transit and active transportation infrastructure, incentive programs, green infrastructure, and transportation-related amenities. The impact of these projects is on a neighborhood scale - to better connect homes, employment centers, and key destinations via low carbon transportation options (walking, biking and transit), resulting in fewer vehicle miles traveled (VMT). Projects will support public policy objectives through coordination including:

- Reducing air pollution
- Improving conditions in disadvantaged communities
- Supporting or improving public health

- Improving connectivity and accessibility to jobs, housing and services
- Increasing options for mobility, including active transportation
- Protecting agricultural lands to support infill development

The program is a competitive grant program to support small capital asset projects in museums. For purposes of this program "capital asset" means tangible physical property with an expected useful life of 15 years or more. A capital asset project may be either of the following:

1. Acquisition of real property, that is, tangible physical property, including easements; or
2. Development of real (tangible physical) property. "Development" includes but is not limited to, improvement, rehabilitation, restoration, enhancement, preservation and protection.

For purposes of this program, "museum" means a public or private nonprofit institution that is organized on a permanent basis for essentially educational or aesthetic purposes and that owns or uses tangible objects, cares for those objects, and exhibits them to the public on a regular basis.

A public agency, nonprofit entity or Federally Recognized Tribe responsible for the operation of a museum may apply on behalf of the museum; or, a museum located within a parent organization (i.e., a municipality, university, historical society or cultural center) may apply on its own if it independently fulfills all the eligibility requirements.
