### Celebrating Success: Corona Norco Unified School District Achieves Remarkable 11721% Return on Investment

Over the past year and a half, CNUSD has been a valued client of California Consulting, a partnership that has proven to be immensely fruitful. Through strategic collaboration, CNUSD has achieved an outstanding Return on Investment (ROI) of 11721%, demonstrating the district's commitment to maximizing resources for the benefit of students, educators, and the entire community.

California Consulting has played a pivotal role in securing grant awards for CNUSD, with a total value of \$9,784,390. These grants have provided crucial funding for a variety of initiatives, including educational programs, infrastructure improvements, and community engagement projects. The remarkable success of CNUSD in securing these grants not only highlights the dedication of the district but also underscores the effectiveness of the partnership with California Consulting.

We look forward to witnessing the continued positive impact of these grant awards on CNUSD and are excited about the future opportunities that will further elevate the district's educational offerings. Congratulations to Corona Norco Unified School District on this remarkable success, and here's to continued growth and prosperity!
