HCD: Homekey+ Program

Deadline: Rolling, accepting applications on an OTC basis (emphasis on Veteran Housing)

Amount: Proposition 1 allocates approximately \$2 billion, with \$1 billion specifically designated for veterans.

Eligibility: Local public entities (cities, counties, and public housing authorities), Tribal entities, Housing developers

Match Requirements: No match required.

Link: <https://www.hcd.ca.gov/grants-and-funding/homekey-plus>

Summary:

Homekey+ is part of the Behavioral Health Infrastructure Bond Act (Proposition 1) passed in March 2024. This program aims to develop permanent affordable housing paired with supportive services, specifically for veterans and individuals with mental health or substance use challenges who are homeless or at risk of homelessness. Projects should focus on the acquisition and rehabilitation of existing buildings, new construction, or other innovative housing solutions.

Eligible Uses:

Acquisition and rehabilitation of existing properties (e.g., hotels, motels, apartments)

Conversion of commercial properties

New construction for permanent housing

Master leasing of properties

Purchase of affordability covenants

Population Served:

Veterans and individuals with behavioral health challenges who are at risk of, or experiencing, homelessness.

Funding Priorities:

Projects demonstrating readiness and the capacity to begin quickly (within 12 months)

Applications with commitments to sustainable long-term funding for services (especially using MHSA and BHSA funds)

Projects that address regional targets and needs in coordination with local Continuum of Care (CoC) and mental health departments

DTSC: Equitable Community Revitalization Grant (ECRG)

Deadline: October 2026 (EST.)

Amount: \$85 million available

Match: TBD

Link: <https://dtsc.ca.gov/ecrg/>

Purpose: The program gives California communities an unprecedented opportunity to address historic environmental injustices and set a new path for land use that will have immediate and lasting benefits, such as recreational uses (parks and other green spaces), commercial enterprises and housing.

1. Community-wide Assessment Grant (\$350k*): First steps or early stages to learn about environmental conditions of at least three sites in a defined area where reuse is being planned. Activities may include Phase I Environmental Site Assessments, Phase II Environmental Site Assessments or Preliminary Endangerment Assessments, and may also include community engagement for sites being assessed/investigated. In addition to assessment or investigation, activities may also include developing an inventory of brownfield sites, including GIS mapping, and other activities that will facilitate reuse planning.
*Funding: Fixed amount of \$350,000, which may include up to \$50,000 for CWA-related activities conducted by grantee, such as community engagement.
2. Site-specific Investigation Grant (\$150k to \$7M): and/or cleanup planning at a specific site that is slated for reuse. Work includes All Appropriate Inquiries (AAI) or Phase I Environmental Site Assessments, Phase II Environmental Site Assessments, Preliminary Endangerment Assessments (PEA), supplemental or other necessary site investigations, health and ecological risk assessments, work to evaluate different cleanup methods, pilot tests to assess a potential remedial technology, and preparation of a cleanup plan.
3. Site-specific Cleanup Grant (\$300k to \$10M): This includes planning, implementation and reporting costs for the cleanup, pilot tests and sampling/analysis to design the cleanup, public engagement and cleanup-related California Environmental Quality Act (CEQA) activities. A

regulatory-approved cleanup plan is highly recommended for a Site-specific Cleanup Application.

Deadline: Next Round TBD

Amount: \$800,000 to \$30,000,000

Eligibility: Eligible applicants include cities, counties, Tribal Governments and public agencies with a role in housing production (within the SCAG Region). All eligible projects must also meet the three REAP 2.0 program objectives:

1. Accelerate infill development that facilitates housing supply, choice and affordability;
2. Affirmatively Furthering Fair Housing; and
3. Reduce vehicle miles traveled.

Match: No minimum match is required, but one way to demonstrate leverage is through a local investment

URL: <https://scag.ca.gov/programs-accelerate-transformative-housing-path>

Purpose: Regional Utilities Supporting Housing (RUSH) Pilot Program is focused on investments in utility infrastructure planning and capital improvements that will support jurisdictions in meeting the housing production goals defined in the 6th cycle RHNA, housing elements and REAP 2.0 Program objectives. Up to \$30 million will be allocated to:

- Capital Projects, with a maximum award of up to \$10 million per application, and with the goal of funding at least three (3) projects in the SCAG region. Capital Projects are: Projects that address current and future utility restrictions in housing development through upgrading infrastructure for sewer, water, stormwater, and dry utilities systems and enable continued infill housing.
- Up to \$5 million will be allocated to the Infrastructure Planning Projects, with maximum awards between \$800,000-\$1 million, and with the goal of funding at least six (6) projects in the SCAG region. Infrastructure Planning Projects are: Plans, programs and green infrastructure plans that support increased utility capacity in areas designated for residential development in Housing Elements.
