San Jacinto Unified School District Receives the California Department of Education (CDE): Bipartisan Safer Communities Act-Stronger Connections Grants for \$3,536,272

We are thrilled to announce that the San Jacinto Unified School District (SJUSD) has been awarded a substantial grant of \$3,536,272 through the California Department of Education Bipartisan Safer Communities Act-Stronger Connections Grant.

This significant achievement underscores SJUSD's commitment to creating a safer and more secure environment for its students and staff. The grant is specifically designated to fund the installation of surveillance cameras at each school within the district, enhancing safety measures and providing an additional layer of security. Moreover, the funds will support the creation of additional Child Welfare and Attendance positions (CWA), reinforcing the district's dedication to ensuring the well-being of everyone on school grounds.

We extend our heartfelt congratulations to the San Jacinto Unified School District for securing this vital funding that will undoubtedly contribute to fostering a safer educational environment. The grant's focus on surveillance technology and additional personnel reflects SJUSD's proactive approach to addressing the safety needs of its school community.

A special commendation is also due to the Statewide Senior Project Manager, Dana Leusch, for her instrumental role in the successful grant application. Her expertise and dedication have played a pivotal role in securing these funds, ensuring that SJUSD can implement crucial safety enhancements across its schools.

As we celebrate this achievement, we look forward to witnessing the positive impact the Bipartisan Safer Communities Act-Stronger Connections Grant will have on the San Jacinto Unified School District. The commitment to creating a secure and conducive learning environment is evident, and we applaud SJUSD's proactive measures in prioritizing the safety of its students and staff.

Once again, congratulations to the San Jacinto Unified School District and Statewide Senior Project Manager Dana Leusch for this noteworthy accomplishment. Your dedication to the well-being of the school community is truly commendable, and we anticipate the positive changes this grant will bring to SJUSD.
