Match: Dollar-for-dollar from local, private, non-State sources

Eligibility: Cities, Counties, and Districts (any regional park or open-space district)

http://www.parks.ca.gov/?page_id=21361

HCF provides funds to local entities to protect threatened species, to address wildlife corridors, to create trails, and to provide for nature interpretation programs which bring urban residents into park and wildlife areas. Eligible projects include applications that address: Deer/Mountain Lion Habitat; Rare, Endangered, Threatened, or Fully-Protected Species Habitat; Wetlands; Riparian Habitat; Anadromous Salmonids and Trout Habitat; Trails; and Wildlife Area Activities.

California Natural Resources Agency: Prop 1 2016 California Urban Rivers Grant Program

(Grant also listed in Prop 1 funding matrix below)

Deadline: October 5, 2016

Amount: \$9.3 Million has been allocated to this program. There are no minimum or maximum grant amounts.

Match: Not required, but matching funds is recommended

Eligibility: Public agencies, 501(c)(3) nonprofit organizations, public utilities, federal & state recognized Indian tribes, and mutual water companies located in Urban Areas

http://resources.ca.gov/bonds_and_grants/urban-rivers/

Under Proposition 1, the California Natural Resources Agency was appropriated funding for green infrastructure that conserves water, buffers climate change impacts, improves water quality, water supply, public health, reduces greenhouse gas emissions, and energy demand, restores, and protects rivers, creeks and streams including the acquisition of resource lands. Projects for the California Urban Rivers Grant Program must be multi-benefit watershed and urban rivers enhancement projects in urban watersheds that increase regional and local water self-sufficiency. Projects must meet at least two of the following five statutory objectives:

- Promote Groundwater Recharge and Water Reuse
- Reduce Energy Consumption
- Use Soils, Plants, and Natural Processes to Treat Runoff
- Create, or Restore Native Habitat
- Increase Regional and Local Resiliency and Adaptability to Climate Change

US Soccer Foundation: 2016 Safe Places to Play Grants

Deadline: 2016 Fall Grant Cycle

- LOIs due by September 30, 2016
- Full Application due by October 7, 2016

Amount: \$4,000 - \$50,000 or a percentage of total project amount in form of vendor credit

Match: None required officially; applicants will have to contribute additional funds not covered by the grant award

Eligibility: Tax-exempt organizations including: 501(c)(3) nonprofits, churches, individual schools or school districts, cities or municipalities.

<http://www.ussoccerfoundation.org/our-grants/>

Safe Places to Play grants are available in four categories: Synthetic Turf, Lighting, Irrigation, and Sport Court. Multi-sport field projects are eligible for funding, but such fields must be used a majority of the time for soccer. Multi-field projects are also eligible. All Safe Places to Play grants (except for Irrigation) can be awarded for either indoor or outdoor field projects. Grants are disbursed as in-kind credit with their respective vendor:

- *Synthetic Turf Grant Amount:* up to 10% of the Hellas project quote.
- *Lighting Grant Amount:* Typically in the range of 15%-30% of project total, with a maximum of \$25,000 per grant for single fields and \$50,000 for multi-field projects.
- *Irrigation Grant Amount:* Typically in the range of \$4,000 - \$15,000, with a maximum of \$15,000 per grant.
- *Sport Court Grant Amount:* Typically in the range of 15% - 50% of project total, with a maximum of \$30,000 per grant.

No cash is disbursed as part of this grant. Grantees must use the specific vendor as the supplier for their field project. Applicants are required to submit an LOI describing basics of the project prior to being approved to submit a full application for funding.

CalRecycle: 2016-17 Tire-Derived Product Grant Program

Primary Deadline: October 13, 2016

Secondary Deadline: November 15, 2016 (for Resolution & EPPP documents only)

Amount: \$150,000 per grant award. Only \$750,000 allocated for entire program for 2016-17.

Match: Any project costs not covered by the grant award, including construction and installation.

Eligibility: Public entities including: California cities, counties, public school districts, public colleges and universities, special districts, park or recreational districts, and state agencies.

<http://www.calrecycle.ca.gov/Tires/Grants/Product/FY201617/default.htm>

Description: CalRecycle administers a program to provide opportunities for the diversion of tires from landfill disposal, prevent illegal tire dumping, and promote markets for recycled-content products. The Tire-Derived Product (TDP) Grant Program is a reimbursement grant designed to use TDPs for re-purposing projects such as pathways, landscaping, mats, playground surfacing, curb stops, and ramps. Only one application per qualifying entity will be accepted and only for projects within California. A minimum of 2,500 California-generated waste tires must be used per application. Multiple products/projects may be combined to achieve this minimum. Project(s) must not have previously received CalRecycle grant funds.

California State Parks, Office of Grants and Local Services (OGALS): California Youth Soccer Recreation and Development Program

Deadline: November 1, 2016

Amount: \$1,000,000 maximum request

Match: Amount varies and should include all non-construction costs for the project

Eligibility: Local agencies, recreation districts, school districts and community-based organizations

http://www.parks.ca.gov/?page_id=28475

The intent of the California Youth Soccer Recreation and Development Program is to award grants on a competitive basis for fostering the development of new youth soccer, baseball, softball, and basketball recreation opportunities in heavily populated, low-income urban areas with a high youth crime and unemployment rate to Local Agencies and Community-Based Organizations. Eligible projects include development projects that create new opportunities for youth soccer, baseball, softball, and basketball as well as include water conservation measures as a part of the project. Applicants that cover all non-construction costs with their own funding will received higher priority than those who request grant funding for both construction and non-construction activities.

CalRecycle: 2016-17 Illegal Disposal Site Abatement Grant Program

Primary Deadlines: November 2, 2016; February 2, 2017

Secondary Deadlines: December 6, 2016; March 2, 2017 (for Resolution and EPPP documentation)

Amount: Up to \$500,000 per grant award; \$1,000,000 allocated for entire program in FY2016-17

Match: Not required

Eligibility: Public entities, including counties, cities, districts, state agencies, and Joint Powers Authorities

<http://www.calrecycle.ca.gov/lea/grantsloans/solidwaste/LEA/FY201617/default.htm>

CalRecycle offers the Illegal Disposal Site Abatement Grant Program to clean up solid waste sites and solid waste at co-disposal sites where the responsible party either cannot be identified or is unwilling or unable to pay for timely remediation and where cleanup is needed to protect public health and safety and/or the environment. This program provides financial assistance in the form of reimbursement grants up to \$500,000 to help public entities accelerate the pace of cleanup, restore sites, and turn today's problems into tomorrow's opportunities.

Caltrans: FY 2017-2018 Sustainable Transportation Planning Grant Program

Deadline: November 4, 2016

Amount: \$50,000 - \$500,000 for Sustainable Communities grant. \$100,000 - \$500,000 for Strategic Partnerships grant.

<http://www.dot.ca.gov/hq/tpp/grants.html>

The Sustainable Transportation Planning Grant Program was created to support the California Department of Transportation's (Caltrans) current Mission: Provide a safe, sustainable,

integrated and efficient transportation system to enhance California's economy and livability. These grants may be used for a wide range of transportation planning purposes that address local, regional, and inter-regional transportation needs and issues. The implementation of these grants should ultimately lead to the adoption, initiation, and programming of transportation improvements. The Caltrans Division of Transportation Planning provides the following transportation planning grants: Strategic Partnerships and Sustainable Communities.

Department of Water Resources (DWR): 2016 Water Energy Grant Program

Deadline: November 7, 2016

Amount: \$19 Million allocated for entire program

Match: None required.

Eligibility: local agencies, joint powers authorities, and nonprofit organizations

<http://www.water.ca.gov/waterenergygrant/index.cfm>

The Water-Energy Grant Program provides funds to implement water efficiency programs or projects that reduce greenhouse gas emissions, and reduce water and energy use. DWR is proposing to focus the 2016 solicitation on programs/projects for Commercial Water Efficiency or Institutional Water Efficiency Programs. DWR will only fund projects where the energy use reduction is directly linked or connected to the reduction in water use at the project's location.

For this solicitation only the project measures listed below will be considered for funding:

Commercial Dishwashers; Boiler-less Combination Ovens; Residential Clothes Washers; Commercial Ice Machines; Pre-Rinse Spray Valves; Residential Dishwashers; Commercial Steam Cookers; Faucets; Commercial Clothes Washers; and Showerheads.

Cal Fire Urban & Community Forestry Program: 2016-17 "Green Trees For The Golden State" Grant

Release: TBD, likely late summer 2016 (Draft Guidance currently available via link below.)

Concept Proposal Deadline: November 17, 2016 (date may be subject to change)

Full Application Deadline: TBD (likely early 2017)

Amount: \$150,000 and \$1,000,000 (amounts subject to change)

Match: Typically 25% (may be subject to change)

Eligibility: cities, counties, qualifying districts, or 501(c)(3) nonprofits. Qualifying districts include, but are not limited to, school, park, recreation, water, and local taxing districts.

http://calfire.ca.gov/resource_mgt/resource_mgt_urbanforestry_grants

The purpose of the Green Trees for the Golden State grant program is to provide funding for tree planting projects in urban areas and up to five years (within the performance period) of tree establishment care. Preference will be given to tree planting projects that provide multiple benefits, with an emphasis on greater GHG sequestration and GHG emissions avoidance. Projects with significant co-benefits will be preferred. It is recommended that the project will take place in an environmental justice community, scoring 75% or above on the CalEnviroScreen 2.0 tool.

Cal Fire Urban & Community Forestry Program: 2016-17 "Urban Forest Management Activities" Grant

Release: TBD, likely late summer 2016 (Draft Guidance currently available via link below.)

Concept Proposal Deadline: November 17, 2016 (date may be subject to change)

Full Application Deadline: TBD (likely early 2017)

Amount: \$150,000 and \$1,000,000 (amounts subject to change)

Match: Typically 25% (may be subject to change)

Eligibility: cities, counties, qualifying districts, or 501(c)(3) nonprofits. Qualifying districts include, but are not limited to, school, park, recreation, water, and local taxing districts.

http://calfire.ca.gov/resource_mgt/resource_mgt_urbanforestry_grants

The purpose of this grant program is to fund the development and implementation of urban forest management activities to reduce GHG emissions and to be carried out by a jurisdiction to optimize the multiple benefits of its urban forest. Such activities will be comprehensive, long term, include the entire jurisdiction, take an ecosystem management approach and may include an inventory, analysis, training and/or educational component. A tree planting component is required during the grant period. It is recommended that the project will take place in an environmental justice community, scoring 75% or above on the CalEnviroScreen 2.0 tool.

Cal Fire Urban & Community Forestry Program: 2016-17 "Urban Wood & Biomass Utilization" Grant

Release: TBD, likely late summer 2016 (Draft Guidance currently available via link below.)

Concept Proposal Deadline: November 17, 2016 (date may be subject to change)

Full Application Deadline: TBD (likely early 2017)

Amount: \$150,000 and \$750,000 (amounts subject to change)

Match: Typically 25% (may be subject to change)

Eligibility: cities, counties, qualifying districts, or 501(c)(3) nonprofits. Qualifying districts include, but are not limited to, school, park, recreation, water, and local taxing districts.

http://calfire.ca.gov/resource_mgt/resource_mgt_urbanforestry_grants

The purpose of this grant program is to fund the development and implementation of an Urban Wood or Urban Biomass Utilization project or program. Better utilizing this resource will lead to improved management of urban vegetation. Additionally, utilizing trees and other vegetation that are to be removed for a valid management objective avoids them being taken to a waste disposal location where they decay and emit GHG. The focus of this program is to strive to utilize the tree for its highest and best use(s) that lead to reductions in GHG emissions. It is not the intention of the program to fund removal of trees specifically for the purpose of utilization, or programs that intend to do so. It is recommended that the project will take place in an environmental justice community, scoring 75% or above on the CalEnviroScreen 2.0 tool.

Cal Fire Urban & Community Forestry Program: 2016-17 "Green Innovations" Grant

Release: TBD, likely late summer 2016 (Draft Guidance currently available via link below.)

Concept Proposal Deadline: November 17, 2016 (date may be subject to change)

Full Application Deadline: TBD (likely early 2017)

Amount: \$200,000 - \$1,500,000. (amounts subject to change)

Match: Typically 25% (may be subject to change)

Eligibility: cities, counties, qualifying districts, or 501(c)(3) nonprofits. Qualifying districts include, but are not limited to, school, park, recreation, water, and local taxing districts.

http://calfire.ca.gov/resource_mgt/resource_mgt_urbanforestry_grants

The purpose of this grant program is to fund the development and implementation of a "Green Innovations" program or project that will reduce GHG emissions and help improve greening in urban areas, arrest the decline of urban forest resources, address climate change adaptation, facilitate the planting of trees and other vegetation in cities, improve the quality of the

environment in urban areas through establishment of, and/or improved management of urban vegetation to optimize benefits to urban areas. Such projects may include the purchase of vacant, undeveloped, or underutilized urban parcels for these purposes. These projects should be forward-thinking green infrastructure projects, and must have a positive greenhouse gas benefit. It is recommended that the project will take place in an environmental justice community, scoring 75% or above on the CalEnviroScreen 2.0 tool.

Eligibility: local public agencies

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/water_recycling/proposition_1_funding.shtml

The State Water Resources Control Board (State Water Board) provides funding for the planning, design, and construction of water recycling projects that offset or augment state fresh water supplies. There are two programs within this fund:

- **Planning Grants:** The purpose of the planning grant is to assist agencies or regions with completing feasibility studies for water recycling projects using treated municipal wastewater and/or treated groundwater from sources contaminated by human activities. Only local public agencies are eligible to apply for planning grants.
- **Construction Grants:** The Water Recycling Funding Program provides grants and financing to eligible applicants for the construction of water recycling facilities. Construction projects may be funded with grants and low interest financing from a state bond, a CWSRF financing agreement, or combinations of funding sources. Eligible applicants are local public agencies, nonprofit organizations, public utilities, state & federal recognized Indian tribes, and mutual water companies.

FM Global Fire Prevention Grant Program

International Paper Foundation: Environmental Education & Literacy Grants

Deadline: Quarterly (February 1, April 1, August 1, and October 1, annually)

Amount: \$100 - \$100,000

Match: None

Eligibility: Nonprofit organizations, government entities, and school districts

<http://www.internationalpaper.com/company/regions/north-america/ip-foundation-usa/apply-for-a-grant>

The foundation's primary focus areas include the following:

1. **Environmental Education:** The Foundation supports programs that help both younger and older generations understand a sustainable approach balancing environmental, social, and economic needs. Examples of supported programs include:

- science-based programs targeting children;
 - outdoor classrooms at schools or in communities;
 - outdoor science programs tied to forestry, air, or water; and,
 - education-based programs that promote recycling, tree planting, and composting initiatives.
2. Literacy: The Foundation addresses literacy through support of programs that:
- enhance availability of reading materials at school and community libraries;
 - enhance reading skills of children and adults; and,
 - teach English as a Second Language (ESL).

The Foundation provides limited consideration for funding to new critical needs in company communities. Consideration is given to one-time, non-recurring needs which benefit the community at large. The Foundation considers providing “seed” money on a one-time basis for requests that identify a community-wide need and provide details of sustaining the initiative within the community beyond International Paper funding. The Foundation generally does not fund capital, economic development, or multi-year projects. Average grant awards are around \$100.

Joseph Drown Foundation Education & Community Grants

Deadline: Quarterly (January 15th; April 15th ; July 15th; October 15th)

Amount: Varies by application

Match: None

Eligibility: 501(c)(3) nonprofits, government institutions, schools *in the Los Angeles area*
<http://www.jdrown.org/mission/index.html>

The Foundation's goal is to assist individuals in becoming successful, self-sustaining, contributing citizens. The Foundation is interested in programs that break down any barrier that prevents a person from continuing to grow and learn through grant programs including:

- 1) *Education*: Education is the primary focus of the Foundation. The Foundation supports education programs in K-12, at both public and private schools, that seek to solve the existing problems in Los Angeles area schools. These grants for education reform can be made directly to the schools or to independent organizations which are closely involved with this issue. In addition, the Foundation provides funds to private secondary schools, colleges and universities for student financial assistance, in the form of both scholarships and loan programs. Favor is given to those programs directed at talented middle income students who are unable to obtain assistance from sources specifically available to low income students.
- 2) *Community, Health, & Social Services*: The Foundation is also committed to improving the quality of life in the local community. The Foundation supports programs that encourage all individuals to reach their fullest potential. The best chance a young person has to reach that goal is to stay in school, inside a functioning family, and outside the juvenile justice system. To that end, the Foundation supports programs that deal with issues such as the high drop-out rate, lack of sufficient health care, substance abuse and violence. In addition, the Foundation will consider programs that address poverty issues and assist the economically disadvantaged. Programs aimed at solutions to or the prevention of these problems are favored. Although the Foundation recognizes the importance of Community, Health, and Social Services, it is not the Foundation's primary funding focus.

[http://cscda.org/Public-Agency-Programs/Total-Road-Improvement-Programs-\(TRIP\)](http://cscda.org/Public-Agency-Programs/Total-Road-Improvement-Programs-(TRIP))

CSCDA offers a pooled securitization program to assist local agencies in bonding against future payments to obtain funding for more projects today. As a pooled public offering, program participants will benefit from reduced issuance costs and better interest rates as compared to stand alone issues. The program does not require a pledge of the local agency's General Fund. The Gas Tax Accelerated Street Improvement Program will allow local governments to leverage their State Motor Vehicle Fuel Tax (the "Gas Excise Tax") to finance road improvement projects. The use of proceeds from the Gas Excise Tax, an 18-cent State excise tax collected on fuel sales, is restricted to the maintenance and construction of public streets and highways. The obligations will be secured solely by a pledge of Gas Excise Tax revenues of the participating agencies.

Match: None

Eligibility: owners/operators with *fleets of 10 or fewer* vehicles that have been operating at least 75% (mileage-based) in California during the previous twenty four (24) months *in the SCAQMD service area*.

<http://www.aqmd.gov/home/programs/business/business-detail?title=voucher-incentive-program>

VIP reduces emissions by replacing old, high-polluting vehicles with newer, lower-emission vehicles, or by installing a retrofit device. The goal of this program is to reduce emissions from in-use heavy-duty trucks in small fleets by retrofitting Engine Model Years 2006 and older or by replacing Engine Model Years 2006 and older with Model Years 2007 (or newer) emissions

compliant models. The VIP is implemented by SCAQMD through contractual agreements with Dealers, Dismantlers, and Retrofit Installers. The Dealers/Retrofit Installers will apply to the SCAQMD for the vouchers on behalf of the applicant. If approved, the voucher amount will be deducted from the total purchase price of the truck or retrofit device by the Dealer or Retrofit Installer, respectively. Applicants interested in replacing their truck must purchase their replacement truck through an SCAQMD-approved VIP Participating Dealership that has completed the required training for the VIP. Similarly, applicants interested in retrofitting their truck must purchase their retrofit device through an SCAQMD-approved VIP Participating Retrofit Installer who has completed the required training for the VIP. A current list of SCAQMD approved Dealerships and Retrofit Installers is included below. Additional updates to these lists will be posted on our webpage as they become available.

Guidelines for charitable contributions vary from state to state. However, Wells Fargo generally supports the following areas of interest:

- community development, including affordable housing and homebuyer education, workforce development, financial literacy, and economic development;
- education, including higher education and K-12 education;
- human services, including childcare, healthcare, and basic needs;
- the environment, including green economy and clean technologies, natural resources, and endangered species; and,
- arts and culture, including performing arts and museums; and,
- civic engagement.

Wells Fargo prefers to fund outcome-driven programs versus unrestricted sponsorships and events for nonprofits.

Whole Foods Market Community Giving Program

Deadline: Continuous

Amount: Varies.

Match: None

Eligibility: Nonprofits and educational organizations in communities with company stores.

<http://www.wholefoodsmarket.com/mission-values/caring-communities/community-giving>

The Whole Foods Market Community Giving Program supports local nonprofit and educational organizations that are important to each community in the U.S. where stores are located.

Several times each year, Whole Foods Market stores hold community giving days (otherwise known as "5% Days") where five percent of that day's net sales are donated to a local nonprofit or educational organization. The groups that benefit from these 5% Days are as varied as the communities themselves. Each year Whole Foods Market gives a minimum of 5% of its net profits to nonprofit and educational organizations in the locations where the company has stores.

Examples of the types of organizations supported include:

- Education: school support organizations, after-school organizations, etc.;
- Community and culture: arts organizations, museums, parks, etc.;
- Human interest: elder care, children and youth, homeless assistance, etc.; and,
- Environmental issues: organic food and farming, natural wildlife protection, green living, etc.

Along with cash donations, Whole Foods Market donates food and other products to area food banks and shelters. Organizations interested in applying for support should contact the Marketing Director at their local store or complete the donation request form available on the company's website.
