UNIFIED SCHOOL DISTRICT

Mendota Unified School District Awarded \$3,400,000 for Inclusive Early Education

California Consulting, a leading grant writing agency, is pleased to announce the successful award of a \$3,400,000 Inclusive Early Education Expansion Grant to Mendota Unified School District (MUSD) from the California Department of Education (CDE). This achievement reflects the collaborative efforts between our team and MUSD's administration in crafting a winning application that addresses the critical need for inclusive and accessible early education opportunities including children with severe disabilities. Through meticulous planning and strategic vision, California Consulting, represented by CC Project Manager Wil Flores, worked closely with MUSD to develop a comprehensive proposal that aligns with the objectives of the CDE Inclusive Expansion Early Education Expansion Grant. Our partnership with MUSD's administration ensured that the application accurately reflected the district's unique needs and priorities, setting the stage for success.

The grant funding will empower MUSD to expand access to early education programs, fostering inclusivity and supporting the diverse needs of our community's children. By prioritizing inclusivity, MUSD will implement specialized resources and training to create welcoming environments where every child can thrive. Furthermore, the grant will enable MUSD to enhance educational outcomes by implementing evidence-based practices and interventions tailored to the needs of early learners. By investing in the foundational years of education, MUSD will pave the way for long-term academic success and positive life outcomes for its students.

"As a grant writer, it's incredibly fulfilling to see our collaborative efforts result in tangible benefits for communities like Mendota. This \$3.4 million grant represents more than just funding; it's an investment in the future of our children, ensuring that every student has the opportunity to thrive in an inclusive and supportive educational environment." - Wil Flores, CC Project Manager

"We are thrilled and grateful for the \$3.4 million award from the CDE Inclusive Early Education Expansion Program. This funding will significantly enhance our ability to provide high-quality, inclusive early education for all our students. The collaboration with California Consulting and Wil Flores has been instrumental in securing this grant, and we look forward to the positive impact it will have on our community." – Dr. Paul Lopez, Superintendent-Mendota Unified School District

Congratulations to Mendota Unified School District, CC Project Manager Wil Flores, and all those involved in this remarkable achievement. Together, we are building a brighter future for California's youngest learners.
