U.S. Department of Energy: Renew America's Schools

Funding Opportunity Number: DE-FOA-0002858

Estimated Post Date: November 2022

Webinar: An Information Webinar will be held on November 1, 2022 at 3:00pm ET. Please register via the following link: <https://doe.webex.com/doe/j.php?RGID=r7b299f9c302acf7589d6c65fb571254d>

Estimated Deadline: TBD

Amount: TBD

Match: TBD

Eligibility: Section 40541 of the Infrastructure Investment and Jobs Act specifies eligible entities as a consortium of (a) one LEA and (b) one or more schools; nonprofit organizations that have the knowledge and capacity to partner and assist with energy improvements; for-profit organizations that have the knowledge and capacity to partner and assist with energy improvements; or community partners that have the knowledge and capacity to partner and assist with energy improvements.

Next Steps: In anticipation of the FOA being released, Applicants are advised to complete the following steps, which are required for application submission: Register and create an account in EERE EXCHANGE at <https://eere-eXCHANGE.energy.gov>

Program URL: <https://eere-exchange.energy.gov/Default.aspx#Foald9ef11b8-13d4-4dd7-a56b-3c73a7952db4>

Summary: This potential FOA supports the implementation of Section 40541 of the Infrastructure Investment and Jobs Act, which provides \$500 million in grants for energy improvements through fiscal years 2022 - 2026 at public school facilities. DOE aims to facilitate substantial additional investment, prioritize schools with high needs, minimize administrative burden, and build enduring capacity in local educational agencies (LEAs) and the states to maximize impact equitably and efficiently.

DOE will encourage eligible applicants to consider projects that enable replicable and scalable impacts, create innovative, sustaining partnerships, leverage funding and economies of scale, target disadvantaged communities, improve student, teacher, and occupant health, enrich learning and growth, target schools that serve as community assets (e.g. neighborhood cooling centers or disaster recovery shelters), can be completed quickly, and are crafted thoughtfully within the context of public-school facilities (e.g. procurement restraints, construction windows, etc.). Project partners may include, but are not limited to, governmental entities such as states, local governments, and tribes; for-profit entities such as utilities and companies that provide energy services or manufacture energy systems; and non-governmental organizations such as community-based organizations, national associations, labor unions, workforce training providers, and energy-focused groups.

California Energy Commission: Food Production Investment Program 2020

Deadline: TBD - Scheduled to release November 2022 with a deadline in February 2023

Amount: \$100,000 to \$6M

Match: Yes - 35%

Eligibility: Applicants must own or operate one or more food processing facilities that is the site where installation of grant funded equipment will occur.

https://www.energy.ca.gov/programs-and-topics/programs/food-production-program?utm_medium=email&utm_source=govdelivery

The goals of the program are to accelerate the adoption of advanced energy efficiency and renewable energy technologies at California food processing plants, demonstrate their reliability and effectiveness, help

California food processors work towards a low carbon future, and benefit priority populations. The technologies to be funded by this Grant Funding Opportunity (GFO) will help reduce energy costs, maintain product quantity and quality, and reduce GHG emissions associated with food production.

U.S. Department of Health and Human Services: FY 2023 Street Outreach Program

Estimated Post Date: April 21, 2023

Estimated Deadline: June 22, 2023

Amount: \$90,000 to \$150,000

Match: Yes

Eligibility: States, cities, counties, special districts, school districts, IHEs, nonprofits, tribal governments

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=343709>

The Street Outreach Program provides street-based services to runaway, homeless, and street youth who have been subjected to or are at risk of being subjected to sexual abuse, prostitution, sexual exploitation, and severe forms of human trafficking in persons. These services, targeted in areas where street youth congregate, are designed to assist such youth making healthy choices and providing them access to shelter as well as basic needs, including food, hygiene packages and information on a range of available services.

California Energy Commission: National Electric Vehicle Infrastructure Funding Program (NEVI)

Deadline: TBD

Amount: TBD

Match: TBD

Eligibility: TBD

Link: https://www.energy.ca.gov/event/workshop/2022-09/session-1-national-electric-vehicle-infrastructure-funding-program-pre?utm_medium=email&utm_source=govdelivery

Background:

NEVI provides \$5 billion in formula grant funding to the states as part of the 2021 federal Infrastructure Investment and Jobs Act (IIJA). California's share is expected to be \$384 million, allocated over 5 years. The primary policy objective for NEVI is to establish a coast-to-coast network of 500,000 modern, high-powered direct current (DC) fast chargers along the nation's freeways and highways to enable long-distance travel in zero-emission vehicles.

The NEVI program designates Caltrans as the lead agency for California. Caltrans and the CEC are collaborating on program design and implementation. This workshop will share the structure and requirements that have been developed to implement the grant funding opportunity to deploy high-powered DC fast chargers along California's corridors.

U.S. Department of Health and Human Services: Advanced Nursing Education Workforce (ANEW)

Estimated Post Date: October 21, 2022 (*not posted as of 10/31/22*)

Estimated Deadline: January 20, 2023

Amount: TBD. \$33 million for entire program

Match: No

Eligibility: States, counties, cities, special districts, school districts, IHEs, nonprofits and tribal governments

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=341229>

The purpose of this program is to train advanced practice registered nursing (APRN) students to provide primary care in rural and underserved communities. The program aims to do so by supporting innovative academic-practice partnerships that prepare primary care APRNs for the unique challenges of practicing in rural and underserved communities, thereby increasing access to needed primary care for these populations.

CalRecycle: Food Waste Prevention and Rescue Grant Program

Deadline: TBD

Amount: \$150,000 to \$250,000

Eligibility: Local governments, nonprofits, IHEs, solid waste facilities, school districts, tribal entities

<https://calrecycle.ca.gov/climate/grantsloans/FoodWaste/>

The purpose of this competitive grant program is to lower overall greenhouse gas emissions by establishing new or expanding existing food waste prevention projects (source reduction or food rescue for people) in California to reduce the amount of food being disposed in landfills.

CalRecycle: Organics Grant Program

Deadline: TBD (Tentatively available Winter 2022)

Amount: Up to \$3 million

Eligibility: Local government, for-profits, IHEs, nonprofits, tribal governments

<https://calrecycle.ca.gov/climate/grantsloans/organics/>

The purpose of this competitive grant program is to further the purposes of the California Global Warming Solutions Act (AB 32) and lower overall greenhouse gas emissions by expanding existing capacity or establishing new facilities in California to reduce the amount of California-generated green materials, food materials, or alternative daily cover (ADC) being sent to landfills.

California Department of Education: Universal Prekindergarten Planning & Implementation Grant

Deadline: TBD

Amount: Allocation Formula - Minimum Base Grants: LEAs with an enrollment of 1 to 23 pupils, inclusive, will receive twenty-five thousand dollars. LEAs with an enrollment of 24 to 99 pupils, inclusive, will receive fifty thousand dollars. LEAs with an enrollment of 100 or more pupils will receive one hundred thousand dollars.

Match: No

Eligibility: LEAs (school districts, charter schools, and county offices of education)

<https://www.cde.ca.gov/fq/fo/profile.asp?id=5753>

The Universal Prekindergarten Planning (UPK) & Implementation Grant is a state early learning planning and capacity building initiative with the goal of expanding access for preschool-age students to prekindergarten programs at local educational agencies (LEAs). Grant funds may pay for costs associated with creating or expanding California state preschool programs or transitional kindergarten programs or establish or strengthen partnerships with other providers of prekindergarten education within the LEA, including Head Start programs.

TRANSPORTATION, BUS & VEHICLE FUNDING

U.S. Department of Transportation: FY22 Consolidated Rail Infrastructure and Safety Improvements Grant Program

Deadline: December 1, 2022

Amount: No minimum/maximum

Match: Yes

Eligibility: States, counties, cities, special districts, IHEs, nonprofits, small businesses, for-profits

<https://www.grantsolutions.gov/gs/preaward/previewPublicAnnouncement.do?id=101051>

This program funds projects that improve the safety, efficiency, and reliability of intercity passenger and freight rail.

California Air Resources Board: Clean Off-Road Equipment Voucher Incentive Project (CORE)

Deadline: Currently open. Deadline not specified.

Amount: Voucher program. See Voucher Incentives webpage for specific equipment and voucher amounts:

<https://californiacore.org/resources/#Voucherincentive>

Eligibility: Any off-road equipment user in California is eligible. If you would like to participate, equipment you purchase must be domiciled and operated for at least 3 years in California after the voucher redemption date. Equipment users must also submit activity reports for 3 years.

Program Link: <https://californiacore.org/how-to-participate/>

Program Summary: The Clean Off-Road Equipment Voucher Incentive Project (CORE) is intended to accelerate deployment of advanced technology in the off-road sector by providing a streamlined way for fleets to access funding that helps offset the incremental cost of such technology. CORE targets commercial-ready products that have not yet achieved a significant market foothold. By promoting the purchase of clean technology over internal combustion options, the project is expected to reduce emissions, particularly in areas that are most impacted; help build confidence in zero-emission technology in support of CARB strategies and subsequent regulatory efforts where possible; and provide other sector-wide benefits, such as technology transferability, reductions in advanced-technology component costs, and larger infrastructure investments.

California Volkswagen (VW) Mitigation Trust

Deadline: First come first served basis

Amount: Up to \$3,250,000

Match: Match funding from the applicant is encouraged and required for school bus purchases (at least 5 percent) and all non-government owned purchases (at least 25 percent)

Eligibility: Owners of transit buses, school buses and shuttle buses. Administered by San Joaquin Valley Air Pollution Control District, but available statewide.

<http://vwbusmoney.valleyair.org/>

The Zero-Emission Transit, School and Shuttle Bus Project provides funding for new zero-emission replacement buses for owners of transit, school, and shuttle buses. This project mitigates excess NOx emissions, reduces pollution in disadvantaged and low-income communities, supports advanced technology vehicle and equipment deployments and accelerates the zero-emission transformation of the heavy-duty fleet.

South Coast Air Quality Management District (AQMD): Electric Lawn and Garden Equipment

Deadline: Not stated

Amount: Discounted equipment. One equivalent operable gasoline- or diesel-powered piece of lawn and garden equipment must be scrapped to qualify for incentive funding towards battery electric replacement equipment.

Eligibility: Local governments, school districts, nonprofit organizations

<http://www.aqmd.gov/home/programs/community/lawn-and-garden-equipment>

PROGRAM GOALS: Improve air quality by exchanging older, polluting gasoline- or diesel-powered commercial lawn and garden equipment for new zero emission, battery electric commercial grade equipment for operation within South Coast Air Quality Management District (SCAQMD) four county region. Special focus will be given to environmental justice (EJ) or disadvantaged communities.

San Joaquin Valley Air Pollution Control District: Electric School Bus Incentive Program

Deadline: Continuous

Amount: Up to \$400,000

Match: Not specified

Eligibility: Must be in SJVAPCD eligible counties. The applicant must be the school bus owner that is a public school district, Joint Power Authorities (JPA), or private company that is contracted with a public school to transport public school children to and from school.

<http://valleyair.org/grants/electric-school-bus.htm>

The Electric School Bus Incentive Program provides monetary incentives for the replacement of existing diesel yellow school buses that transport public school children to and from school with all electric school buses. Eligible applicants are public school districts, Joint Power Authorities (JPA), and privately owned yellow school buses that are contracted with a public school to transport public school children. Applicants must obtain an executed contract from the SJVAPCD prior to the order or purchase of new all electric school bus.

San Joaquin Valley Air Pollution Control District: New Alternative Fuel Vehicle Purchase

Deadline: Not specified

Amount: \$20,000 per vehicle, up to \$100,000 per agency

Eligibility: Public agency such as cities, counties, special districts, public educational institutions

<http://www.valleyair.org/Home.htm>

SJVAPCD is currently accepting applications from public agencies requesting funding of up to \$20,000 per vehicle, for the purchase of new alternative-fuel vehicles.

San Joaquin Valley Air Pollution Control District: Statewide School Bus Retrofit Program

Deadline: Continuous until funding is exhausted

Amount: Up to \$20,000 per school bus

Match: Any costs not covered by the grant award

Eligibility: Any California public school district that directly provides transportation services, Joint Power Authority (JPA) that owns school buses, or private transportation agency that provides student transportation

services under contract to public school districts are eligible to participate in this program. Private school districts are not eligible.

<http://valleyair.org/grants/schoolbus.htm#>

The San Joaquin Valley Air Pollution Control District has announced that there is some limited funding available for the Statewide School Bus Retrofit Program. The purpose of this program is to provide assistance to California school districts with compliance of ARB's in-use Truck and Bus Regulation. This program will provide incentive funds to retrofit 1991 and newer engine model year and vehicle model year school buses with an ARB verified Level-3 diesel emissions control strategy (retrofit).

The Sanitation Districts of Los Angeles County: Free Buses for Schools Program

Deadline: Continuous while funding is available

Amount: Varies. LACSD will reimburse schools for bus transportation costs.

Match: None

Eligibility: Teachers/classrooms for grades 5-12 at a public or private school in the Sanitation District's service in LA County

http://www.lacsd.org/education/school_programs/free_bus_program.asp

The Sanitation Districts of Los Angeles County are offering you a free field trip to our facilities (while funds last). If you qualify, we will reimburse you for your bus transportation costs to visit either a wastewater treatment plant, materials recovery facility or one of our other sites. This is a unique opportunity for you and your students. You will get to see, learn, and really experience what happens to your sewage or trash. It is fun, interesting, and educational! Please note that funds for buses are limited and may run out. A school is eligible for one free bus during the school year.

ENVIRONMENTAL, ALTERNATIVE ENERGY AND AGRICULTURE FUNDING

San Joaquin Valley Air Pollution Control District: California Volkswagen Mitigation Trust

Deadline: Opens October 31, 2022 - first come, first-serve basis

Amount: School districts can receive up to \$400,000 per bus that is 2006 model year or older. Newer buses to be replaced are eligible for up to \$380,000.

Eligibility: School districts

<https://ww2.valleyair.org/grants/vw-mitigation-trust/#vw-application>

The second installment of the \$130 million California Mitigation Trust funds the statewide purchase of zero-emissions school buses, transit buses, and shuttle buses. The funds will replace older, high-polluting transit, school, and shuttle buses with new battery-electric or fuel-cell buses. During the project's 10-year period, approximately 425 vehicles will be replaced with an incentive amount of up to \$400,000 per vehicle.

U.S. Department of the Interior, Fish and Wildlife Service: F23AS00032 - 2023 Coastal Program

Deadline: September 30, 2023

Amount: Up to \$200,000

Match: No

Eligibility: States, counties, cities, nonprofits, school districts, IHEs, tribal governments and organizations

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=343706>

Geographic focus areas are where the Coastal Program directs resources to conserve habitat for Federal trust species. Projects are developed in collaboration with partners, and with substantial involvement from Service field staff. Coastal Program projects must support the missions of the U.S. Department of the Interior (DOI), U.S. Fish and Wildlife Service (Service), and the Coastal Program, and be based on biological principles and the best available science. The Coastal Program takes an adaptive approach to designing and implementing coastal habitat protection and restoration strategies that anticipate and ameliorate the impacts of climate change and other environmental stressors. Coastal Program habitat improvement projects strive to increase coastal resiliency by improving the ability of coastal ecosystems to adapt to environmental changes and supporting natural and nature-based infrastructure projects to protect and enhance coastal habitats.

U.S. Department of the Interior, Fish and Wildlife Service: Partners for Fish and Wildlife FY23

Deadline: September 30, 2023

Amount: Up to \$750,000

Match: No

Eligibility: States, counties, cities, nonprofits, school districts, IHEs, tribal governments and organizations
<https://www.grants.gov/web/grants/view-opportunity.html?oppId=343732>

Geographic focus areas define where the program directs resources to conserve habitat for federal trust species. Project work plans are developed strategically, in coordination with partners, and with substantial involvement from Service field staff. The program has been in existence since 1987 and has over 30 years of successful delivery. Project selection will seek to align or support the Secretary's priorities. It also advances the Department of the Interior's mission, U.S. Fish and Wildlife Service's mission, and PFW's mission, promote biological diversity, and based upon sound scientific biological principles. Program strategic plans inform the types of projects funded under this opportunity.

California Department of Water Resources: 2021 Urban and Multi-benefit Drought Relief Grant Program

Deadline: Not determined yet - Will be updated on program website

Amount: \$2 million minimum

Match: No - Applicants are encouraged to use other fund sources to supplement the grant funds.

Eligibility: Public agencies, public utilities, special districts, colleges and universities, mutual water companies, nonprofits, regional water management groups, tribes

<https://water.ca.gov/Water-Basics/Drought/urbanmultibenefitdrought>

Grant funding is available for interim or immediate relief in response to conditions arising from drought across California. The drought relief goal is to address immediate impacts on human health and safety and on fish and wildlife resources, and to provide water to persons or communities that lose or are threatened with the loss or contamination of water supplies.

California Department of Water Resources: Small Community Drought Relief Program

Deadline: There will be no formal proposal solicitation for this Program. Small communities impacted by the drought are encouraged to apply as soon as possible. Applications for funding will be accepted on a first come first served basis until all the funds are awarded, or until December 29, 2023, whichever comes first.

Amount: A total of \$192 Million in funding from the General Fund is available for grants under this Program.

Match: Not required but encouraged

Eligibility: Public agencies, public utilities, special districts, IHEs, mutual water companies, nonprofits, federally recognized Indian tribes

https://water.ca.gov/-/media/DWR-Website/Web-Pages/Work-With-Us/Grants-And-Loans/Small-Community-Drought-Relief/Small-Community-Drought-Relief-Guidelines_2021-Final_ay11_v3.pdf

Summary: Eligible projects for the Small Community Drought Relief Program shall be in counties included in Governor Newsom's state of emergency proclamations for 2021. Any county or jurisdiction included in a future drought proclamation by the Governor or for circumstances for which the SWRCB determines that drought conditions necessitate urgent and immediate action to ensure availability of safe drinking water, to protect public health and safety, will also qualify for funding. To be eligible for the Small Community Drought Relief Program funding, projects must be designed to benefit small communities and rural communities.

Eligible projects must address one or more program objectives: 1) hauled water 2) temporary community water tanks 3) bottled water 4) water vending machines 5) emergency water interties 6) new wells or rehabilitation of existing wells 7) construction or installation of permanent infrastructure

San Joaquin Valley Air Pollution Control District: Bikeway Incentive Program

Deadline: Continuous until funds are exhausted

Amount: Up to \$150,000

Eligibility: Municipalities, government agencies and public education institutions located within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/bikepaths.htm>

The purpose of this program is to fund the construction of new bikeway projects to promote clean air through the development of a widespread, interconnected network of bike paths, lanes or routes and improving the general safety conditions for commuter bicyclists for the benefit of commuter bicycling.

San Joaquin Valley Air Pollution Control District: E-Mobility

Deadline: Continuous until funds are exhausted

Amount: Up to \$150,000

Eligibility: Municipalities, government agencies and public education institutions located within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/emobility.htm>

The District is currently accepting applications for the development or expansion of telecommunications services and electronic technology applications to directly replace vehicle travel by the general public.

Funding is available for eligible projects such as video teleconferencing, Internet business transactions, and telework sites.

San Joaquin Valley Air Pollution Control District: Charge Up! Electric Vehicle Charger Incentive Program

Deadline: Continuous until funds are exhausted

Amount: Up to \$50,000

Eligibility: Municipalities, government agencies and public education institutions located within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/chargeup.htm>

The District is currently accepting applications for its Charge Up! Program. This Program provides funding for public agencies, businesses, and property owners of multi-unit dwellings (i.e. apartment complexes, condominiums, etc.) in the San Joaquin Valley to install electric vehicle (EV) chargers. These chargers will support existing EV owners and encourage the growth of the clean technology in the Valley.

San Joaquin Valley Air Pollution Control District: Alternative Fuel Mechanic Training

Deadline: Continuous until funds are exhausted

Amount: Up to \$15,000

Eligibility: Funding for this program is opened to qualifying agencies that are currently using an alternative fuels program, servicing an alternative fuels system or making the transition to alternative fuels technology in their fleet or infrastructure operations. Government agencies, private companies, or public educational institutions may apply for this grant opportunity. Must be within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/mechanictraining.htm>

The District is currently accepting applications to develop and advance the education of personnel on the mechanics, safe operation and maintenance of alternative fuel vehicles and infrastructure. Eligible educational subjects include the following: alternative fuel engines, fueling practices and vehicle fuel systems, fuel station components, operational safety and procedures, technical or mechanic training, or alternative fuel technology overview.

San Joaquin Valley Air Pollution Control District: Electric School Bus Incentive Program

Deadline: Continuous until funds are exhausted

Amount: Up to \$400,000

L.B. Research and Education Foundation

Deadline: Ongoing

Amount: \$10,000 to \$75,000

Eligibility: Nonprofits

Summary: Grants are provided to organizations that address one of the following areas: In the Education category, the focus is on supporting inventive approaches that boost engagement and achievement for populations that face education opportunity gaps tied to poverty, gender, race/ethnicity, trauma, etc. The Foundation values educational approaches that foster independent and critical thinking, activate creativity, and/or offer alternatives to traditional education. Project ideas serving any age group, from early childhood through postsecondary and vocational education are considered. In the Health category, the focus is on addressing health issues that are prevalent among vulnerable populations who face barriers to accessing adequate care. The Foundation has a particular interest in supporting efforts that remove the stigma of mental illness and that increase the awareness of the prevalence of these issues, especially in underserved populations. Priority in both categories is given to proposals that have a specific research or dissemination mechanism in place for the community solution that could lead to positive changes on a regional, national, or global scale.

Contact Information: Interested organizations are invited to email a 400 word or less description of their funding idea to inquiries@thelbfoundation.org. (The Foundation does not currently have a website.)
