## UPCOMING FUNDING – ALL CATEGORIES

### **U.S. Department of Agriculture: Landscape Scale Restoration Grant Program 2023 West**

Opportunity Number: USDA-FS-2023-LSR-WEST

Estimated Post Date: August 30, 2022

Amount: TBD

Match: Yes

Eligibility: States, counties, cities, special districts, IHEs, nonprofits and tribal governments

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=343032>

The purpose of the Landscape Scale Restoration competitive grant program is to encourage collaborative, science-based restoration of priority rural forest landscapes. This program supports high impact projects that lead to measurable outcomes on the landscape, leverage public and private resources, and further priorities identified in a State Forest Action Plan or equivalent science-based restoration strategy.

### **U.S. Department of Health and Human Services: Advanced Nursing Education Workforce (ANEW)**

Estimated Post Date: October 21, 2022

Estimated Deadline: January 20, 2023

Amount: TBD. \$33 million for entire program

Match: No

Eligibility: States, counties, cities, special districts, school districts, IHEs, nonprofits and tribal governments

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=341229>

The purpose of this program is to train advanced practice registered nursing (APRN) students to provide primary care in rural and underserved communities. The program aims to do so by supporting innovative academic-practice partnerships that prepare primary care APRNs for the unique challenges of practicing in rural and underserved communities, thereby increasing access to needed primary care for these populations.

### **CalRecycle: Food Waste Prevention and Rescue Grant Program**

Deadline: TBD

Amount: \$150,000 to \$250,000

Eligibility: Local governments, nonprofits, IHEs, solid waste facilities, school districts, tribal entities

<https://calrecycle.ca.gov/climate/grantsloans/FoodWaste/>

The purpose of this competitive grant program is to lower overall greenhouse gas emissions by establishing new or expanding existing food waste prevention projects (source reduction or food rescue for people) in California to reduce the amount of food being disposed in landfills.

### **CalRecycle: Organics Grant Program**

Deadline: TBD (Scheduled release Fall 2022)

Amount: Up to \$3 million

Eligibility: Local government, for-profits, IHEs, nonprofits, tribal governments

<https://calrecycle.ca.gov/climate/grantsloans/organics/>

The purpose of this competitive grant program is to further the purposes of the California Global Warming Solutions Act (AB 32) and lower overall greenhouse gas emissions by expanding existing capacity or establishing new facilities in California to reduce the amount of California-generated green materials, food materials, or alternative daily cover (ADC) being sent to landfills.

### **CalRecycle: Community Composting for Green Spaces Grant Program**

Deadline: TBD (Meeting for proposed eligibility held June 21, 2022)

Amount: Unspecified

Eligibility: TBD

<https://calrecycle.ca.gov/climate/grantsloans/communitycomposting/>

The purpose of this competitive grant program is to increase the number of community groups operating small-scale composting programs in green spaces within disadvantaged and low-income communities, and to increase the capacity of those composting programs. Green spaces include, but are not limited to, community gardens, urban farms, and other public spaces where small-scale composting is appropriate.

**California Department of Education: Universal Prekindergarten Planning & Implementation Grant**

Deadline: TBD

Amount: Allocation Formula - Minimum Base Grants: LEAs with an enrollment of 1 to 23 pupils, inclusive, will receive twenty-five thousand dollars. LEAs with an enrollment of 24 to 99 pupils, inclusive, will receive fifty thousand dollars. LEAs with an enrollment of 100 or more pupils will receive one hundred thousand dollars.

Match: No

Eligibility: LEAs (school districts, charter schools, and county offices of education)

<https://www.cde.ca.gov/fg/fo/profile.asp?id=5753>

The Universal Prekindergarten Planning (UPK) & Implementation Grant is a state early learning planning and capacity building initiative with the goal of expanding access for preschool-age students to prekindergarten programs at local educational agencies (LEAs). Grant funds may pay for costs associated with creating or expanding California state preschool programs or transitional kindergarten programs or establish or strengthen partnerships with other providers of prekindergarten education within the LEA, including Head Start programs.

## TRANSPORTATION, BUS & VEHICLE FUNDING

**California Air Resources Board: Clean Off-Road Equipment Voucher Incentive Project (CORE)**

Deadline: Currently open. Deadline not specified.

Amount: Voucher program. See Voucher Incentives webpage for specific equipment and voucher amounts:

<https://californiacore.org/resources/#Voucherincentive>

**Eligibility:** Any off-road equipment user in California is eligible. If you would like to participate, equipment you purchase must be domiciled and operated for at least 3 years in California after the voucher redemption date. Equipment users must also submit activity reports for 3 years.

**Program Link:** <https://californiacore.org/how-to-participate/>

**Program Summary:** The Clean Off-Road Equipment Voucher Incentive Project (CORE) is intended to accelerate deployment of advanced technology in the off-road sector by providing a streamlined way for fleets to access funding that helps offset the incremental cost of such technology. CORE targets commercial-ready products that have not yet achieved a significant market foothold. By promoting the purchase of clean technology over internal combustion options, the project is expected to reduce emissions, particularly in areas that are most impacted; help build confidence in zero-emission technology in support of CARB strategies and subsequent regulatory efforts where possible; and provide other sector-wide benefits, such as technology transferability, reductions in advanced-technology component costs, and larger infrastructure investments.

**California Volkswagen (VW) Mitigation Trust**

Deadline: First come first served basis

Amount: Up to \$3,250,000

Match: Match funding from the applicant is encouraged and required for school bus purchases (at least 5 percent) and all non-government owned purchases (at least 25 percent)

Eligibility: Owners of transit buses, school buses and shuttle buses. Administered by San Joaquin Valley Air Pollution Control District, but available statewide.

<http://vwbusmoney.valleyair.org/>

The Zero-Emission Transit, School and Shuttle Bus Project provides funding for new zero-emission replacement buses for owners of transit, school, and shuttle buses. This project mitigates excess NOx emissions, reduces pollution in disadvantaged and low-income communities, supports advanced technology vehicle and equipment deployments and accelerates the zero-emission transformation of the heavy-duty fleet. (Zero-emission school bus bin is oversubscribed and no longer being accepted. Money for transit and shuttle buses is still available.)

**South Coast Air Quality Management District (AQMD): Electric Lawn and Garden Equipment**

Deadline: Not stated

Amount: Discounted equipment. One equivalent operable gasoline- or diesel-powered piece of lawn and garden equipment must be scrapped to qualify for incentive funding towards battery electric replacement equipment.

Eligibility: Local governments, school districts, nonprofit organizations

<http://www.agmd.gov/home/programs/community/lawn-and-garden-equipment>

**PROGRAM GOALS:** Improve air quality by exchanging older, polluting gasoline- or diesel-powered commercial lawn and garden equipment for new zero emission, battery electric commercial grade equipment for operation within South Coast Air Quality Management District (SCAQMD) four county region. Special focus will be given to environmental justice (EJ) or disadvantaged communities.

#### **San Joaquin Valley Air Pollution Control District: Electric School Bus Incentive Program**

Deadline: Continuous

Amount: Up to \$400,000

Match: Not specified

Eligibility: Must be in SJVAPCD eligible counties. The applicant must be the school bus owner that is a public school district, Joint Power Authorities (JPA), or private company that is contracted with a public school to transport public school children to and from school.

<http://valleyair.org/grants/electric-school-bus.htm>

The Electric School Bus Incentive Program provides monetary incentives for the replacement of existing diesel yellow school buses that transport public school children to and from school with all electric school buses. Eligible applicants are public school districts, Joint Power Authorities (JPA), and privately owned yellow school buses that are contracted with a public school to transport public school children. Applicants must obtain an executed contract from the SJVAPCD prior to the order or purchase of new all electric school bus.

#### **San Joaquin Valley Air Pollution Control District: New Alternative Fuel Vehicle Purchase**

Deadline: Not specified

Amount: \$20,000 per vehicle, up to \$100,000 per agency

Eligibility: Public agency such as cities, counties, special districts, public educational institutions

<http://www.valleyair.org/Home.htm>

SJVAPCD is currently accepting applications from public agencies requesting funding of up to \$20,000 per vehicle, for the purchase of new alternative-fuel vehicles.

#### **San Joaquin Valley Air Pollution Control District: Statewide School Bus Retrofit Program**

Deadline: Continuous until funding is exhausted

Amount: Up to \$20,000 per school bus

Match: Any costs not covered by the grant award

Eligibility: Any California public school district that directly provides transportation services, Joint Power Authority (JPA) that owns school buses, or private transportation agency that provides student transportation services under contract to public school districts are eligible to participate in this program. Private school districts are not eligible.

<http://valleyair.org/grants/schoolbus.htm#>

The San Joaquin Valley Air Pollution Control District has announced that there is some limited funding available for the Statewide School Bus Retrofit Program. The purpose of this program is to provide assistance to California school districts with compliance of ARB's in-use Truck and Bus Regulation. This program will provide incentive funds to retrofit 1991 and newer engine model year and vehicle model year school buses with an ARB verified Level-3 diesel emissions control strategy (retrofit).

#### **The Sanitation Districts of Los Angeles County: Free Buses for Schools Program**

Deadline: Continuous while funding is available

Amount: Varies. LACSD will reimburse schools for bus transportation costs.

Match: None

Eligibility: Teachers/classrooms for grades 5-12 at a public or private school in the Sanitation District's service in LA County

[http://www.lacsd.org/education/school\\_programs/free\\_bus\\_program.asp](http://www.lacsd.org/education/school_programs/free_bus_program.asp)

The Sanitation Districts of Los Angeles County are offering you a free field trip to our facilities (while funds last). If you qualify, we will reimburse you for your bus transportation costs to visit either a wastewater treatment plant, materials recovery facility or one of our other sites. This is a unique opportunity for you and your students. You will get to see, learn, and really experience what happens to your sewage or trash. It is fun, interesting, and educational! Please note that funds for buses are limited and may run out. A school is eligible for one free bus during the school year.

## ENVIRONMENTAL, ALTERNATIVE ENERGY AND AGRICULTURE FUNDING

### **U.S. Environmental Protection Agency: San Francisco Bay Water Quality Improvement Fund, FY2022**

Deadline: September 20, 2022

Amount: Up to \$24 million

Match: Yes

Eligibility: State, local government agencies, districts, and councils; regional water pollution control agencies and entities; State coastal zone management agencies; public and private universities and colleges; and public or private non-governmental, non-profit institutions.

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=342479>

Since 2008, EPA has administered the San Francisco Bay Water Quality Improvement Fund (SFBWQIF) competitive grant program to fund projects that protect and restore San Francisco Bay. Such projects must demonstrate environmental results for water quality and aquatic habitat (e.g., wetlands). To date, EPA has awarded over \$71 million and leveraged an additional \$191 million to restore wetlands, improve water quality, and implement green development practices (e.g., employ natural hydrologic processes to treat polluted runoff).

### **U.S. Department of Agriculture: On-Farm Conservation Innovation Trials for Federal fiscal year (FY) 2022**

Deadline: September 22, 2022

Amount: \$250,000 to \$5 million

Match: Yes

Eligibility: States, cities, counties, small businesses, IHEs, special districts, nonprofits, tribal governments and organizations

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=342597>

NRCS is announcing the availability of Conservation Innovation Grants (CIG) On-Farm Conservation Innovation Trials (On-Farm Trials) to stimulate the adoption and evaluation of innovative conservation approaches in partnership with agricultural producers. For 2022, applications will be accepted from eligible entities for projects addressing at least one of the following priorities: irrigation management technologies; climate smart agricultural solutions; nutrient management; and soil health demonstration (SHD) trial. Up to \$25 million is available for On-Farm Trials in 2022. NRCS anticipates that at least \$10 million of On-Farm Trials funding in 2022 will be awarded to entities applying for the SHD component. On-Farm Trials projects may be between 3 and 5 years in duration.

### **U.S. Fish and Wildlife Service: Partners for Fish and Wildlife Program**

Deadline: September 30, 2022

Amount: Up to \$750,000

Match: No

Eligibility: States, cities, counties, school districts, nonprofits, special districts, IHEs, public housing authorities, for-profits, individuals, tribal organizations and governments

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=336921>

The Partners for Fish and Wildlife Program provides direct technical assistance and financial assistance in the form of cooperative and grant agreements to private landowners to restore and conserve fish and wildlife habitat for the benefit of federal trust resources. Priorities include complementing activities on National Wildlife Refuge System lands, improving habitat for species at risk and federally designated species, and supporting five-year strategic plans to identify focal species and focal areas in which to invest limited resources.

### **U.S. Department of Commerce: FY22 Coastal Habitat Restoration and Resilience Grants for Underserved Communities**

Deadline: September 30, 2022

Amount: \$75,000 to \$1 million

Match: No

Eligibility: Cities, counties, nonprofits, IHEs and tribal governments and organizations

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=341531>

The principal objective of this solicitation is to support opportunities for underserved communities, tribes, and/or tribal entities to meaningfully engage in coastal habitat restoration activities. Through this funding opportunity, NOAA intends to support capacity building and restoration project activities that have the greatest potential to lead to habitat restoration that enhances resilience of underserved communities in marine, estuarine, coastal, and Great Lakes areas. Meaningful engagement of underserved communities is intended to ensure that communities are integral to the visioning, decision-making, and leadership for coastal habitat restoration projects; to ensure that the scope of such projects are inclusive of the priorities and needs of communities; and/or to ensure that the benefits of such projects flow back to underserved communities.

**U.S. Fish and Wildlife Service: Partners for Fish and Wildlife FY22**

Deadline: September 30, 2022

Amount: Up to \$750,000

Match: Yes

Eligibility: Cities, counties, school districts, nonprofits, IHEs, public housing authorities, for-profits, special districts, tribal governments and organizations. To receive funding, PFW projects must be implemented on private lands, with the exception for efforts that support projects on private lands.

<https://www.grants.gov/web/grants/view-opportunity.html?oppld=336921>

The Partners for Fish and Wildlife (PFW) Program is a voluntary, incentive-based program that provides direct technical assistance and financial assistance in the form of cooperative and grant agreements to private landowners to restore and conserve fish and wildlife habitat for the benefit of federal trust resources.

**U.S. Department of Agriculture (Forestry Service): Community Wildfire Defense Grant 2022 West**

Deadline: October 7, 2022

Amount: Up to \$10 million

Match: Yes

Eligibility: States, counties, cities, special districts, nonprofits, tribal governments and organizations

<https://www.fs.usda.gov/managing-land/fire/grants>

The purpose of the Community Wildfire Defense Grant is to assist at-risk local communities and Indian Tribes with planning and mitigating against the risk created by wildfire. The Act prioritizes at-risk communities in an area identified as having high or very high wildfire hazard potential, are low-income, and/or have been impacted by a severe disaster.

There are two primary project types for which the grant provides funding:

The development and revision of Community Wildfire Protection Plans (CWPP)

The implementation of projects described in a CWPP that is less than ten years old

**CalRecycle: Beverage Container Recycling Grant Program FY 2022-23**

Deadline: October 18, 2022

Amount: \$75,000 to \$275,000

Eligibility: Local government agencies, cities, counties, regional programs, public colleges and universities, public school districts, non-profit organizations, and qualifying Indian Tribes

<https://calrecycle.ca.gov/BevContainer/Grants/BevContainer/fy2022-24/>

CalRecycle is seeking projects that implement new or enhance existing programs to provide convenient beverage container recycling opportunities in various locations statewide. The maximum grant award increased from \$250,000 to \$275,000 to support the increase cost of infrastructure to include the following:

- Water Refill Stations
- Vehicles
- BigBelly Recycling Bins, etc.

Eligible Projects:

- Multi-family residential dwellings (five units or more).
- Public colleges/universities, non-profit colleges/universities, and public K–12 school districts.
- Curbside Residential Program locations (excluding single stream).
- Community events including, but not limited to, those sponsored by local jurisdictions.
- Parks/recreational areas.
- Purchase of water refill stations, including the installation, education & outreach, or replacement of infrastructure, plumbing, maintenance, additional attachments or modifications.

Deadline: October 27, 2022

Amount: \$25,000 to \$300,000

Match: Yes

Eligibility: States, counties, cities, special districts, IHEs, nonprofits and tribal governments

<https://www.thewflc.org/landscape-scale-restoration-competitive-grant-program/fy-2023-landscape-scale-restoration>

The purpose of the Landscape Scale Restoration competitive grant program is to encourage collaborative, science-based restoration of priority rural forest landscapes. This program supports high impact projects that lead to measurable outcomes on the landscape, leverage public and private resources, and further priorities identified in a State Forest Action Plan or equivalent science-based restoration strategy.

**U.S. Department of Agriculture: Higher Blends Infrastructure Incentive Program (HBIIIP)**

Deadline: November 21, 2022

Amount: Up to \$5 million

Match: Yes

Eligibility: States, counties, cities, special districts, nonprofits, school districts, IHEs, tribal organizations and governments, for-profits, small businesses and individuals

<https://www.rd.usda.gov/hbiip>

The purpose of HBIIIP is to increase significantly the sales and use of higher blends of ethanol and biodiesel by expanding the infrastructure for renewable fuels derived from U.S. agricultural products. Funds are for:

- Fueling stations, convenience stores, hypermarket fueling stations, fleet facilities, and similar entities with capital investments) for eligible implementation activities related to higher blends of fuel ethanol greater than 10 percent ethanol, such as E15 or higher; and biodiesel greater than 5 percent biodiesel, such as B20 or higher; and
- Terminal operations, depots, and midstream partners, for eligible implementation activities related to higher blends of fuel ethanol greater than 10 percent ethanol, such as E15 or higher, and biodiesel greater than 5 percent biodiesel, such as B20 or higher.

**California Department of Water Resources: 2021 Urban and Multi-benefit Drought Relief Grant Program**

Deadline: Not determined yet - Will be updated on program website

Amount: \$2 million minimum

Match: No - Applicants are encouraged to use other fund sources to supplement the grant funds.

Eligibility: Public agencies, public utilities, special districts, colleges and universities, mutual water companies, nonprofits, regional water management groups, tribes

<https://water.ca.gov/Water-Basics/Drought/urbanmultibenefitdrought>

Grant funding is available for interim or immediate relief in response to conditions arising from drought across California. The drought relief goal is to address immediate impacts on human health and safety and on fish and wildlife resources, and to provide water to persons or communities that lose or are threatened with the loss or contamination of water supplies.

**California Department of Water Resources: Small Community Drought Relief Program**

Deadline: There will be no formal proposal solicitation for this Program. Small communities impacted by the drought are encouraged to apply as soon as possible. Applications for funding will be accepted on a first come first served basis until all the funds are awarded, or until December 29, 2023, whichever comes first.

Summary: Eligible projects for the Small Community Drought Relief Program shall be in counties included in Governor Newsom's state of emergency proclamations for 2021. Any county or jurisdiction included in a future drought proclamation by the Governor or for circumstances for which the SWRCB determines that drought conditions necessitate urgent and immediate action to ensure availability of safe drinking water, to protect public health and safety, will also qualify for funding. To be eligible for the Small Community Drought

Relief Program funding, projects must be designed to benefit small communities and rural communities. Eligible projects must address one or more program objectives: 1) hauled water 2) temporary community water tanks 3) bottled water 4) water vending machines 5) emergency water interties 6) new wells or rehabilitation of existing wells 7) construction or installation of permanent infrastructure

#### **San Joaquin Valley Air Pollution Control District: Bikeway Incentive Program**

Deadline: Continuous until funds are exhausted

Amount: Up to \$150,000

Eligibility: Municipalities, government agencies and public education institutions located within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/bikepaths.htm>

The purpose of this program is to fund the construction of new bikeway projects to promote clean air through the development of a widespread, interconnected network of bike paths, lanes or routes and improving the general safety conditions for commuter bicyclists for the benefit of commuter bicycling.

#### **San Joaquin Valley Air Pollution Control District: E-Mobility**

Deadline: Continuous until funds are exhausted

Amount: Up to \$150,000

Eligibility: Municipalities, government agencies and public education institutions located within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/emobility.htm>

The District is currently accepting applications for the development or expansion of telecommunications services and electronic technology applications to directly replace vehicle travel by the general public. Funding is available for eligible projects such as video conferencing, Internet business transactions, and telework sites.

#### **San Joaquin Valley Air Pollution Control District: Charge Up! Electric Vehicle Charger Incentive Program**

Deadline: Continuous until funds are exhausted

Amount: Up to \$50,000

Eligibility: Municipalities, government agencies and public education institutions located within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/chargeup.htm>

The District is currently accepting applications for its Charge Up! Program. This Program provides funding for public agencies, businesses, and property owners of multi-unit dwellings (i.e. apartment complexes, condominiums, etc.) in the San Joaquin Valley to install electric vehicle (EV) chargers. These chargers will support existing EV owners and encourage the growth of the clean technology in the Valley.

#### **San Joaquin Valley Air Pollution Control District: Alternative Fuel Mechanic Training**

Deadline: Continuous until funds are exhausted

Amount: Up to \$15,000

Eligibility: Funding for this program is opened to qualifying agencies that are currently using an alternative fuels program, servicing an alternative fuels system or making the transition to alternative fuels technology in their fleet or infrastructure operations. Government agencies, private companies, or public educational institutions may apply for this grant opportunity. Must be within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/mechanictraining.htm>

The District is currently accepting applications to develop and advance the education of personnel on the mechanics, safe operation and maintenance of alternative fuel vehicles and infrastructure. Eligible educational subjects include the following: alternative fuel engines, fueling practices and vehicle fuel systems, fuel station components, operational safety and procedures, technical or mechanic training, or alternative fuel technology overview.

**San Joaquin Valley Air Pollution Control District: Electric School Bus Incentive Program**

Deadline: Continuous until funds are exhausted

Amount: Up to \$400,000

Eligibility: Applicant must be the school bus owner that is a public school district, JPA or private company contracted with a public school to transport public school children to and from school. Must be located within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/electric-school-bus.htm>

The Electric School Bus Incentive Program provides monetary incentives for the replacement of existing diesel yellow school buses that transport public school children to and from school with all electric school buses. Eligible applicants are public school districts, Joint Power Authorities (JPA), and privately owned yellow school buses that are contracted with a public school to transport public school children.

**San Joaquin Valley Air Pollution Control District: Public Transportation Subsidy and Park & Ride Lots**

Deadline: Continuous until funds are exhausted

Amount: Up to \$150,000 (depending on category selected)

Eligibility: Municipalities, government agencies and public education institutions located within the boundaries of the District (San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern counties)

<http://valleyair.org/grants/publictransport.htm>

The District is currently accepting applications to provide public transportation pass subsidies, such as for rail and transit services, and for the construction of park-and-ride lots which connect commuters to alternative transportation measures. Funding provided through this program is intended to encourage commuter rideshare activities as an alternative to single occupant vehicle commutes for daily long-distance travel.

**South Coast Air Quality Management District (AQMD): Electric Lawn and Garden Equipment**

Deadline: Not stated

Amount: Discounted equipment. One equivalent operable gasoline- or diesel-powered piece of lawn and garden equipment must be scraped to qualify for incentive funding towards battery electric replacement equipment.

Eligibility: Local governments, school districts, nonprofit organizations located in AQMD District

<http://www.aqmd.gov/home/programs/community/lawn-and-garden-equipment>

**PROGRAM GOALS:** Improve air quality by exchanging older, polluting gasoline- or diesel-powered commercial lawn and garden equipment for new zero emission, battery electric commercial grade equipment for operation within South Coast Air Quality Management District (SCAQMD) four county region. Special focus will be given to environmental justice (EJ) or disadvantaged communities.

**Whole Foods Market Community Giving Program**

Deadline: None

Amount: Varies

Eligibility: Nonprofit and educational organizations

<https://www.wholefoodsmarket.com/mission-values/caring-communities/community-giving>

Examples of the types of organizations supported include:

- education, including school support organizations, after-school organizations, etc.;
- community and culture, including arts organizations, museums, parks, etc.;
- human interest, including elder care, children and youth, homeless assistance, etc.; and,
- environmental issues, including organic food and farming, natural wildlife protection, green living, etc.

Deadline: Continuous

Amount: Replacement value of truck

Match: Funding will be provided at 65% of the cost of the eligible replacement truck

Eligibility: Must be in SJVAPCD eligible counties. Agricultural truck owners (see guidelines for more details on eligibility)

<http://valleyair.org/grants/FARMER.htm>

The FARMER Ag Truck Replacement Program provides incentive funds for the replacement of heavy-duty diesel ag trucks. Funds are provided on a first come, first serve basis and applicants must obtain approval and have a signed, executed contract from the SJVAPCD prior to purchase of new equipment. Any equipment purchased prior to contract execution is ineligible as this is not a rebate program.

#### **San Joaquin Valley Air Pollution Control District: Electric School Bus Incentive Program**

Deadline: Continuous

Amount: Up to \$400,000

Match: Not specified

Eligibility: Must be in SJVAPCD eligible counties. The applicant must be the school bus owner that is a public school district, Joint Power Authorities (JPA), or private company that is contracted with a public school to transport public school children to and from school.

<http://valleyair.org/grants/electric-school-bus.htm>

The Electric School Bus Incentive Program provides monetary incentives for the replacement of existing diesel yellow school buses that transport public school children to and from school with all electric school buses. Eligible applicants are public school districts, Joint Power Authorities (JPA), and privately owned yellow school buses that are contracted with a public school to transport public school children.

## **CHARTER, AFTERSCHOOL AND SUMMER SCHOOL FUNDING**

#### **Justin J. Watt Foundation**

Deadline: Requests for winter sports (basketball, wrestling and volleyball) may be submitted August, September and October each year

Amount: Uniforms and Equipment

Eligibility: School must have planned/established school sports program between 3p-5:30p for 6<sup>th</sup> to 8<sup>th</sup> grade students and over 60% of students eligible for free/reduced lunch program

<http://jjwfoundation.org/request-funds/>

The Justin J. Watt Foundation is dedicated to providing afterschool opportunities for middle school-aged children throughout the U.S. to become involved in athletics so that they may learn the character traits of accountability, teamwork, leadership, work ethic, and perseverance while in a safe and supervised environment with their peers. Funding for uniforms and/or equipment is provided to approved schools that have an after-school athletic program for 6<sup>th</sup> to 8<sup>th</sup> graders and where over 60% of students are eligible for the Free/Reduced Lunch program. Schools must provide a secure place to store uniforms and equipment, as well as staff, transportation, and space for the after-school program. Requests for winter sports (basketball, wrestling, and volleyball) may be submitted in August, September, and October of each year.

#### **American Society of Naval Engineers FLEET Grants**

Deadline: Continues until funds are exhausted

Amount: \$1,000

**L.B. Research and Education Foundation**

**Deadline:** Ongoing

**Amount:** \$10,000 to \$75,000

**Eligibility:** Nonprofits

**Summary:** Grants are provided to organizations that address one of the following areas: In the Education category, the focus is on supporting inventive approaches that boost engagement and achievement for populations that face education opportunity gaps tied to poverty, gender, race/ethnicity, trauma, etc. The Foundation values educational approaches that foster independent and critical thinking, activate creativity, and/or offer alternatives to traditional education. Project ideas serving any age group, from early childhood through postsecondary and vocational education are considered. In the Health category, the focus is on addressing health issues that are prevalent among vulnerable populations who face barriers to accessing adequate care. The Foundation has a particular interest in supporting efforts that remove the stigma of mental illness and that increase the awareness of the prevalence of these issues, especially in underserved populations. Priority in both categories is given to proposals that have a specific research or dissemination mechanism in place for the community solution that could lead to positive changes on a regional, national, or global scale.

**Contact Information:** Interested organizations are invited to email a 400 word or less description of their funding idea to [inquiries@thelbfoundation.org](mailto:inquiries@thelbfoundation.org). (The Foundation does not currently have a website.)
