Woodlake Unified School District Receives \$457,586 for the CA DCHS Evidence Based and Community Defined Evidence Practice Grant

California Consulting is excited that Woodlake Unified School District Received \$457,586 receives the CA DCHS Evidence Based and Community Defined Evidence Practice Grant

This wonderful accomplishment is another example of the foresight and vision of WUSD's ongoing effort to provide a better quality of education for its students.

It's also a reflection of the dedication and hard work of CC Project Manager Dana Leusch who wrote the winning application with the assistance of the district's administration.

Congratulations to Woodlake Unified School District for receiving this wonderful award.
