California Consulting Secures Over \$1.4 Million in USDOT Safe Streets 4 All Grants

We are excited to share outstanding news regarding California Consulting's recent triumph in securing an impressive sum of over \$1.4 million through the USDOT Safe Streets 4 All Grant. This remarkable achievement showcases California Consulting's dedication to helping communities thrive, and we extend our heartfelt congratulations to the winning clients and the talented grant writers involved.

The list of successful clients includes the City of Newman, securing \$120,000 for their community's safety initiatives. The City of Hollister is another big winner, receiving a substantial grant of \$1,080,000 to enhance their streets and ensure the well-being of residents. The Town of Mammoth Lakes joins the ranks with a commendable \$80,000 grant for their ongoing efforts in creating safer streets, and the City of Monrovia has also been recognized, securing a significant grant of \$177,200.

These accomplishments are a testament to the City's commitment to fostering a secure and accessible environment for its residents. The total secured funding of \$1,457,200 is a testament to California Consulting's prowess in grant writing and their success in advocating for the improvement of communities across California. Also, this achievement would not have been possible without the collaborative efforts of the dedicated grant writers, and city staff who worked tirelessly to craft compelling applications.

We extend our warmest congratulations to the City of Newman, the City of Hollister, the Town of Mammoth Lakes, and the City of Monrovia for their successful grant awards. Your commitment to creating safer streets and prioritizing community well-being is commendable. Congratulations to all involved in this significant milestone!
