URL: <https://www.library.ca.gov/grants/>

Summary: Community Impact Grants (formerly known as “Local and Collaborative Grants”) help library workers respond effectively to local needs and align services with community aspirations. This program supports experimentation and research and development in California’s libraries. To receive funding, applicants must demonstrate attention to equity in their planning and implementation through existing and planned community partnerships, intentional connections made with marginalized communities, and the integration of equity principles and practices.

California State Library: Play for All

Deadline: March 6, 2024, at noon

Amount: \$10,000 to \$75,000

Eligibility: Libraries

URL: <https://www.library.ca.gov/grants/>

Summary: The Play for All funding opportunity provides grants to help California libraries design and create welcoming family play spaces and offer meaningful programming around play for marginalized young children. The purpose of these grants is to support libraries in addressing the barriers and inequitable access to quality play spaces and play-based programming young children may experience in marginalized, under-resourced, and underserved communities.

California libraries can apply for grant funding to support:

- Staff time to co-design, coordinate, and implement play-based programs.
- Purchases of mobile and/or child-friendly furnishings, manipulatives, and materials to create play spaces for young children.
- Services from community organizations including parenting workshops and presentations about play-based child development.
- Participation in professional development workshops to gain knowledge and skills around play-based programming and spaces.
- Outreach and promotion of play resources and programs.
- Any additional allowable expenditures that help libraries provide young children access to play. Please note that if grant funds will be used to pay for a service from a

community organization or organizations, those organization(s) cannot be considered as a partner in the application.
