

City of Maywood Celebrates an Exceptional 3438% Return on Investment

California Consulting is thrilled to celebrate the City of Maywood's outstanding success in achieving a remarkable return on investment through our partnership securing an amazing \$10,107,868 with 3438% return on investment.

Our dedicated efforts in securing substantial grant awards have translated into significant financial benefits for Maywood. The impressive return on investment underscores the effectiveness of our strategic grant management and the city's commitment to leveraging available resources for community development and improvement.

Top Grant Awards Secured for Maywood:

- **CalTrans - Highway Safety Improvement Program (HSIP) - \$1,418,490**
- **U.S. EPA - Community Projects: Sewer System Repair/Infrastructure Project - \$1,200,000**
- **CalTrans - Clean California Local Grant Program- \$1,388,940**

The City of Maywood's success story is a testament to the power of collaboration and focused effort. Through targeted grant applications and diligent project management, we have helped the city secure funds that drive vital community projects and enhance the quality of life for its residents.

Our journey with Maywood is far from over. As we celebrate these achievements, we remain committed to sustaining this momentum and exploring new opportunities for growth and

development. The next 7 years promise to be even more fruitful as we continue to build on this strong foundation of success. *"The success we've achieved with the City of Maywood exemplifies the power of effective grant management and dedicated teamwork. I'm honored to have played a part in securing funds that make a real difference in the community. Our partnership with Maywood is a shining example of what can be accomplished when we work together towards common goals,"* said David Marquez, Senior Project Manager at California Consulting

"Working with California Consulting has been transformative for our city. The grants secured have funded crucial projects that improve the lives of our residents. We are grateful for this partnership and look forward to continuing our collaboration," said Jennifer Vasquez, City Manager of Maywood.
